21 January 2025

TO WHOM IT MAY CONCERN

This letter has been prepared at the request of Jane Citizen, and confirms the program completion details of the listed University of Adelaide student.

Full name	Jane Citizen
Student number	1234567
Program completed	Bachelor of Computer Science
Commencement term	2022 Semester 1
Term commencement date	28 February 2022
Attendance status	Full-time
Campus	North Terrace Campus
Program duration	3.0 Years
Completion date	29 November 2024

Completion Date is the date on which the University determined that the student had satisfactorily completed all the requirements of the qualification.

A standard academic year at the University of Adelaide is comprised of 24 units of study. Students who are enrolled in 18 units of study or greater (over the course of an academic year) are considered to be full-time.

All teaching at the University of Adelaide is given in English, with identical assessment criteria for domestic and international students. The official record of a student's enrolment dates, GPA, courses studied and results is recorded on the student's University of Adelaide Official Academic Transcript.

Information on programs and courses including the length and program structure and academic study dates can be viewed on the University of Adelaide website, www.adelaide.edu.au. A full list of academic dates is available at http://www.adelaide.edu.au/student/dates/academic/.

Please contact Ask Adelaide if we can be of further assistance.

Kind regards,

Student Services Officer
