

## Conference presentations

1. Oster C, Zajac I, Flight I, Hart E, Young GP, Wilson C, Turnbull D. A qualitative examination of the decision to use the FOBT test: lessons for social marketing campaigns. Adelaide: 11<sup>th</sup> Behavioural Research Cancer Control Conference, May 2013.
2. Duncan A, Turnbull D, Wilson C, Flight I, Osborne J, Cole SR, Young GP. Describing non-adherence to rescreening for colorectal cancer with Faecal Occult Blood Testing: demographic and behavioural predictors of screening drop out. Adelaide: 11<sup>th</sup> Behavioural Research Cancer Control Conference, May 2013.
3. Duncan A, Zajac I, Flight I, Wilson C, Turnbull D. Improving male participation in colorectal cancer screening: Preliminary outcomes from a randomised controlled comparison of different invitational approaches. Auckland: Australasian Society for Behavioural Health and Medicine 11<sup>th</sup> Annual Scientific Meeting, February 2014.
4. Zajac, IT, Duncan A, Flight I, Turnbull D, Wilson C. Emerging screening technologies for colorectal cancer and the potential impact on participation rates: blood versus stool. Auckland: Australasian Society for Behavioural Health and Medicine 11<sup>th</sup> Annual Scientific Meeting, February, 2014.
5. Flight I, Wilson C, Zajac I, Turnbull D, Young G, Olver I. Development of a hierarchy of colorectal cancer information needs for targeted interventions to improve preventive behaviours. Auckland: Australasian Society for Behavioural Medicine 11<sup>th</sup> Annual Scientific Meeting, February 2014.
6. McCallum S, Turnbull D, Gaughwin M, Mikocka – Walus A, Andrews A. How can we jam the revolving door? Comparing treatment for alcohol use disorders among patients with and without mental health system comorbidity. Paris: 28<sup>th</sup> International Congress of Applied Psychology, July, 2014.
7. Turnbull D, Zajac, I, Duncan A, Flight I, Wilson C and Adelaide Colorectal Cancer Screening Collaborative and the Freemason's Foundation Centre for Men's Health. Improving male participation in colorectal cancer screening: preliminary outcomes from a randomised controlled trial of different invitational strategies. Paris: 28<sup>th</sup> International Congress of Applied Psychology, July, 2014.
8. Turnbull D, Oster C, McGuinness C, Zajac I, Duncan A, Flight I, Wilson C and Adelaide Colorectal Cancer Screening Collaborative and the Freemason's Foundation Centre for Men's Health. Masculinity and men's participation in colorectal cancer screening. Paris: 28<sup>th</sup> International Congress of Applied Psychology, July, 2014.

## Symposia and workshops

1. Whitehead E, Turnbull D, Macfarlane A, Kneipp E, Beardsley R, Crossland L. How do we better involve stakeholders in primary health care research? Symposium. Canberra: 2014 Primary Health Care Research Conference, Canberra, 2014.
2. van Weel C, Findlay T, Goodyear-Smith F, Jackson C, Lam C, van Weel- Baumgarten, Phillips R, Tambyln, R, Turnbull D. International Collaboration in Innovating Health Systems. Preconference Workshop. New York: North American Primary Care Research Group Annual Meeting, November, 2014.

## Published proceedings and abstracts

1. Wilkinson C, Bryce R, Adelson P, Coffey J, Coombas J, Turnbull D. Clinical results of a randomized controlled trial of outpatient cervical priming for induction of labor with Prostaglandin E2. Adelaide: 17<sup>th</sup> Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: Journal of Paediatrics and Child Health, 49, Supplement 2, A044.
2. Adelson, P, Wedlock G, Wilkinson C, Bryce R, Turnbull D. A cost analysis of outpatient priming for induction of labour: results from the Outpatient Priming for Induction of Labour Trial (OPRA). Adelaide:

17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, A116.

3. Howard K, Turnbull D, Adelson P, Wilkinson C, Gerard K. Quantifying women's preferences for priming for labour induction: a discrete choice experiment. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, OP111.
4. Turnbull D, Oster C, Adelson P, Scalzi D, Grauenhorst S, Bryce R, Wilkinson C. A two – center randomised controlled trial of outpatient cervical priming for induction of labour: a qualitative examination confirming psychosocial benefit. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, P368.
5. Rigby A, Turnbull D, Wilkinson C. Psychosocial aspects of labour induction: the preferences and attitudes of pregnant women and midwives. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, OP030.
6. Z Sui, Turnbull D, Dodd J. Perception of and satisfaction with body image among pregnant women who are overweight or obese. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, A063.
7. Z Sui, Yelland LN, Turnbull D, Dodd JM. Walking to limit gestational weight gain and keep fit during pregnancy – findings from the WALK randomised trial. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, P439.
8. Newman AK, Deussen AR, Moran LJ, Grivell RM, Yelland LN, Turnbull D, Dodd JM. The effect of antenatal dietary and lifestyle advice on maternal psychological health in women who are overweight or obese – findings from the LIMIT randomised trial. Adelaide: 17th Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2013. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 49, Supplement 2, P437.
9. Wilson C, Flight I, Zajac I, Turnbull D, Young G, Olver. What do people want to know about colorectal cancer and what is the best way to organise the information they want? Melbourne: World Cancer Congress, Melbourne, Dec 2014. Peer reviewed abstract: *Asia-Pacific Journal of Clinical Oncology* 10 (Suppl S9): 1-263, p173.
10. Flight I, Wilson C, Zajac I, Bastiaans K, Turnbull D, Young G, Olver I. What is the best way to organise online colorectal cancer information? Melbourne: World Cancer Congress, Melbourne, Dec 2014. Peer reviewed abstract: *Asia-Pacific Journal of Clinical Oncology* 10 (Suppl S9): 1-263, p242.
11. Wilkinson C, Adelson P, Turnbull D. A pilot randomised controlled trial of outpatient compared to inpatient cervical priming using double balloon catheters - clinical results of the COPRA study. Perth: 18<sup>th</sup> Annual Congress of the Perinatal Society of Australia and New Zealand (PSANZ), April 2014. Peer reviewed abstract: *Journal of Paediatrics and Child Health*, 50, (Supplement 1), A241.
