Education

1998–2004 **PhD and MSc**, *University of Victoria*, BC, Canada.

1994–1998 **MPhys Physics and Cosmology**, *Lancaster University*, Lancaster, UK.

PhD Thesis

Title *A search for $B \rightarrow K\nu\bar{\nu}$ with the BaBar experiment*

Supervisors Professor R. V. Kowalewski & Professor J. M. Roney

Professional Positions

2011–Present **Assistant Professor**, *University of Adelaide*, ATLAS Collaboration.

2008–2011 **Research Associate**, *SLAC National Accelerator Laboratory*, ATLAS Collaboration.

2006–2008 **Research Fellow**, *INFN and Universita di Roma "La Sapienza"*, BaBar Collaboration.

2004–2006 **Postdoctoral Research Associate**, *The Ohio State University*, ATLAS and BaBar Collaborations.

Professional Experience

Leadership Roles

2012–Present **ATLAS Collaboration**, *University of Adelaide*, Team Leader.

2012–Present **ATLAS Collaboration**, *Supersymmetry with tau leptons group*, sub convener.

2010–2011 **ATLAS Collaboration**, *Supersymmetry Working Group*, sub convener.

2005–2008 **BaBar Collaboration**, *Leptonic B&C Working Group*, sub convener.

2002–2006 **BaBar Collaboration**, *Recoil Method Tools Group*, co-convener.

2004–2005 **ATLAS Collaboration**, *Responsible for construction*, Pixel Detector Opto-Boards.
