

CHANGE OF PERSONAL DETAILS REQUEST for FORMER STUDENTS

As a former student of the University of Adelaide, you can notify us of changes to your personal information by providing details on this form and submitting it with the appropriate documentation.

Note: Actively enrolled students will complete the online version of this form.

SECTION 1: CHANGE OF NAME, COURTESY TITLE, DATE OF BIRTH

The changes you request need to be validated either by submitting an original document from the approved list to be viewed by staff, or by submitting a copy certified by a Justice of the Peace, a Notary Public, a Consular Official, or a Commissioner for Taking Affidavits, of **ONE** of the following documents:

- (a) Birth Certificate;
- (b) Passport;
- (c) Marriage Certificate;
- (d) Drivers Licence
- (e) Certificate of Change of Name, issued by the Principal, Registry Office of Births, Deaths and Marriages;
- (f) An official Hong Kong or Singapore Government ID card for citizens of those countries.

Please note the following cultural and administrative observances:

1 After marriage, you can claim your spouse's last name, or retain your current last name. Requests to record a new last name comprising both married and unmarried name, will require an official 'Change of Name' certified by the Principal, Registry Office of Births, Deaths and Marriages, Office of Consumer and Business Affairs.

2 Where an official document is submitted that is different to the details requested on your form, your name(s) will be recorded using the details on the documentation provided for legal compliance.

3 Other documents are **not** accepted eg Certificate of Citizenship.

4 Names longer than 90 characters need to be truncated to fit our recording system. We will contact you to discuss options.

5 Anomalies created by a data entry error may be amended without notice during routine checks.

6 If you have a HECS debt with the ATO, ensure you contact them about changes to your personal details.

Your Current Details

Provide the details currently recorded at The University of Adelaide
