# Application for Change of Attendance Mode in Higher Degree Candidature

# **Division of Research and Innovation**

# Adelaide Graduate Research School

#### Please note

- This form should be used for all students seeking to change from a remote (external) mode of attendance to internal including:
  - o Those returning to study at the University after an approved period of remote candidature; and
  - Those studying under an approved Joint Award who are returning to the University of Adelaide after a period of study at the other participating institution.

#### In addition

- This form may be used to apply to change attendance mode from internal to remote (external) in the following circumstances ONLY:
  - Where a 'Remote Candidature' application form has previously been lodged and approved, and the student is seeking to return overseas for a second or subsequent period of remote candidature under the same conditions as those previously approved
  - Where the student is studying under an approved Joint Award and plans to study at the other participating institution for a period of time.

In all cases, a change of attendance mode must be supported by your supervisors and endorsed by the Postgraduate Coordinator.
