

THESIS SUBMISSION CHECKLIST

I have, ready and will submit to graduate.research@adelaide.edu.au

- A copy of my thesis as a single PDF;
- A complete declaration is included in my thesis, which I have signed. I have used the [current version](#) from the Graduate Research School website;
- My thesis Title Page is correct as per the Specifications for Thesis under 3.3.(a) at:- <http://calendar.adelaide.edu.au/agrs>
- A completed [Certification of Thesis for Examination](#) form, signed by my Principal Supervisor AND Head of School or Discipline OR Postgraduate Coordinator.

For a thesis by publication or a thesis that is a combination of conventional and publication formats:

- A [Statement of Authorship](#) precedes each publication in my thesis with signatures of all Co-Authors (scanned signatures are acceptable). If the University template is not used, you must ensure that all elements of the Statement of Authorship preface each paper included in your thesis.
- YES N/A

For students in the Master of Philosophy or Master of Clinical Science by mixed research and coursework, or in a combined PhD/Master of Psychology program:

- I have satisfactorily completed all Coursework requirements including any placements.
- YES N/A

For students who commenced a Doctor of Philosophy or Master of Philosophy program after 1/1/2017:

- I have satisfactorily completed all Career and Research Skills Training (CaRST) requirements.
- YES N/A

For students undertaking an industry placement:

- I have satisfactorily completed all industry placement requirements.
- YES N/A

For students undertaking a UAiPhD:

- I have satisfactorily completed all requirements including the placement and compulsory CaRST activities.
- YES N/A

PLEASE NOTE:

- As of March 2020 students must submit their thesis and the required forms electronically only to graduate.research@adelaide.edu.au Theses will not be accepted in person at the Graduate Research School.
- Printed copies of a thesis are not required unless specifically requested by an examiner. In the rare cases that this occurs, you will be contacted by the AGC and requested to provide a printed copy for this purpose.
- If you have not already submitted the [Notification of Intention to Submit form](#) you are still required to do so at the time of thesis submission as it contains questions which are important for your examination.
