

Notification of Intention to Submit

Student Name	
Student ID	
School/Discipline	
Program	
E-mail	

For Master of Philosophy/ Master of Clinical Science students, please also indicate your stream:

- 100% research mixed research and (15 - 16 units) coursework

I am an international student:

- Yes No

I am enrolled in a jointly-awarded degree program (e.g. Cotutelle)

- Yes No

Notification of Intention to Submit

I hereby give notice that I intend to submit my thesis for examination on _____/_____/_____

Academic Program Rules and Specifications for Thesis

Candidates may request that the thesis submitted be examined under either the academic program rules and specifications for thesis available at the time of submission or the academic program rules and specifications in existence at the time of commencing their academic program except in the following cases:

- For students who have upgraded/transferred from one postgraduate research program to another postgraduate research program, the effective date of the transfer will be deemed to be the candidature commencement date.
- For students **who are enrolled in a program which requires completion of a coursework component**, the academic program rules and specifications for thesis available at the time of commencement of candidature will ALWAYS apply where the required coursework component has changed between candidature commencement and thesis submission.
- For students **whose candidature has been lapsed for more than 12 months** the academic program rules and specifications for thesis available at the time of thesis submission will ALWAYS apply.

Program rules and specifications for thesis for the University of Adelaide's postgraduate research programs (current and historical) may be viewed online: <https://calendar.adelaide.edu.au/agrs>. [Information on selecting the program rules for your examination](#) is available.

In view of the above I request that my thesis be examined under rules and specifications (please tick one box below):

- In existence at the time of submission of my thesis (THIS IS THE RECOMMENDED OPTION OF THE UNIVERSITY),
 In existence at the time of my enrolment or the effective date of my upgrade/transfer from one research program to another research program

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is a requirement for completion from 2023 and must be registered with the University now to ensure compliance. Please go to <https://www.usi.gov.au/students/get-a-usi> to create your USI and then register it with the University in [Access Adelaide](#). Select the Students menu and then the Statistics sub-menu to find where to register it.

- I confirm that I have registered my USI with the University of Adelaide.

CaRST

- I commenced prior to 2017 OR I have a waiver and I am not required to complete CaRST
- I commenced in 2017 or later and I have completed my CaRST hours
- I commenced in 2017 or later and I have not completed my CaRST hours. I will be doing the following to complete the required hours prior to submission of my thesis:

Confidentiality

If you have an approved embargo on your thesis your examiners will be informed of the embargo and that the material in the thesis should be treated as confidential and not discussed with, or made available to, any other party, except when permitted, in writing, to do so by the University.

In some rare and special circumstances where an embargo, as described above, is not adequate and greater confidentiality is required, examiners can be asked to sign a legal confidentiality deed.

There is material in my thesis that should be subject to a confidentiality restriction beyond a standard embargo which requires a legal confidentiality deed:

- Yes No

If Yes, please describe the rare and special circumstances which require your examiners to sign a legal confidentiality deed:

Appointment of Potential Examiners

- I have no objection to the appointment of any particular examiner, OR
- I object to the appointment of a particular examiner(s) and I enclose a statement detailing my objection. †

† Please note that your objection does not serve as a veto. If, on academic grounds, your School wishes to recommend the appointment of a particular examiner to whom you have objected, it can make a case to the Research Education and Development Committee (REDC) for the appointment to proceed. The final decision to appoint a particular examiner rests with the Committee.
