Career and Research Skills Training (CaRST)

# **Searching for an Activity**

# Introduction

The search function within CaRST Online can help you to find specific activities using various parameters.

# Procedure

1. From the **Training & Development** menu, click **Find & Book activities** or you can also use **Find & book activities** under **Do.** Both will take you to the CaRST search page.

## To Search for a Specific Course

- 1. Select Ongoing/Future in the date section of Search Filters.
- 2. Type a word from the name of the course into the Search bar.
- 3. Click **Search** or press **Enter**. The results that most closely match the words in your search will be displayed. This can be sorted by **Relevance** or **Date**.
