I wish to inform the Graduate Research School that I have had/will have a change of supervisor(s) with effect from:

____/____/____

- All nominated supervisors must be admitted to the Supervisor Register prior to supervising students. If a nominated supervisor is not already on the Register, they will need to complete an online Supervisor Registration Application: <https://scrs.adelaide.edu.au/apply> before this form can be processed.
- For all supervisors, please list their role (Principal (P), Co-Supervisor (C) or External (E)), School, percentage responsibility for supervision, current email address and supervision category in the table below. If a Supervisor is leaving the Supervisory Panel, please indicate this with the word REMOVE. These supervisors must still sign this form.
- All Higher Degree Research students must be supervised by a panel comprising a Principal and at least one Co or External Supervisor. The Principal Supervisor has the primary responsibility for supervision and must be a member of the academic staff of the School in which the student is enrolled, or, a Titleholder (excluding visitors) with that School.
- The Principal Supervisor must have a minimum of 60% on any student's panel. A Co-Supervisor may be an academic employee from any University School (including a titleholder (excluding visitors)). An External Supervisor is defined as a subject matter expert who is not a member of University Academic Staff and who has not been awarded an Academic Title of the University of Adelaide, excepting a Visitor Title. Appropriately qualified Professional Staff and Internal Visitors are considered to be external for the purposes of supervision. Each co-supervisor (including external) on the panel must be assigned a minimum of 20% of the responsibility for the supervision. Weighting split will be entered as 60/20/20 in the case of 3 supervisors.
- A maximum of 3 supervisors may be on any student's panel.
