Notification of Intention to Submit

I hereby give notice that I intend to re-submit my thesis for examination on _____/_____/_____

Academic Program Rules and Specifications for Thesis

Candidates who are submitting a revised thesis for re-examination will be examined under the same rules as their original examination, whether this be the rules effective at the time of the original submission or the rules effective at the time of enrolment.

Program rules and specifications for thesis for the University of Adelaide's postgraduate research programs (current and historical) may be viewed on the web at: <https://calendar.adelaide.edu.au/agc>

Appointment of Examiners

Your thesis will be sent to the examiners who originally recommended a revision and resubmission of your thesis. However, you are expected to make revisions based on the recommendations of all examiners which should be clearly marked in your written response to the examiners. Each examiner reviewing the revised thesis will be provided a copy of the original examiners reports and a copy of your written response.
