

HDR THESIS DECLARATION

For theses submitted after 1 January 2018

For a thesis that does not contain work already in the public domain:

I certify that this work contains no material which has been accepted for the award of any other degree or diploma in my name, in any university or other tertiary institution and, to the best of my knowledge and belief, contains no material previously published or written by another person, except where due reference has been made in the text. In addition, I certify that no part of this work will, in the future, be used in a submission in my name, for any other degree or diploma in any university or other tertiary institution without the prior approval of the University of Adelaide and where applicable, any partner institution responsible for the joint-award of this degree.

I give permission for the digital version of my thesis to be made available on the web, via the University's digital research repository, the Library Search and also through web search engines, unless permission has been granted by the University to restrict access for a period of time.

I acknowledge the support I have received for my research through the provision of an Australian Government Research Training Program Scholarship.

NOTE: All domestic students must include the final paragraph as you will have received Australian Government funding through a RTP funded scholarship stipend or fee-offset. International students who did not receive an Australian Government RTP funded scholarship stipend or fee-offset should not include the final paragraph. This includes international students who paid full fees, were fully funded by a scholarship from their home country or received an award solely funded by the University. If you are not sure whether any of these categories apply to you please contact the Graduate Centre: graduate.centre@adelaide.edu.au
