Recruitment System FAQ's: Advertising

Do I need to advertise on all of the sites in the online job pack?

- If you don't want the advertisement to appear on one of the job pack sites, then please add this as a comment in the box under the tick boxes on the job card. Please note that the cost will be unchanged.

Can I enlarge the Advertising Template screen?

- 'Click' on 'Tools' just above the advertising template box and 'Full Screen' and this will enlarge the box and make it easier to view and edit.
