

CAPS Casual Worked Time Actual (Course Level) Report

Introduction

This guide describes the steps of how to run **the CAPS Casual Worked Time Planned vs Actual (Course Level)** report. This report includes information about Academic casual staff members only.

The purpose of this report is to show the total accumulative worked time by course where the engagement start or end date occurs within the selected year.

The values available for selection in the drop down lists will be determined by the user's security access.

Courses are listed as the combination of Subject Area Code and Catalogue Number e.g. PUB HLTH 7003.

The report can be run for:

- An individual course
- Multiple courses
- All displayed courses

Procedure

Log in to BI https://bi.adelaide.edu.au

1. To Navigate to CAPS Reporting, click **My home.**

2. Click Human Resources folder.

- 5. Select the required report criteria.
- 6. Choose the **Calendar Year** (i.e. the year the budget is being prepared for) using the drop down list (mandatory).
- Select the relevant Faculty/Division (mandatory).
- To refine the search select the School/Branch and Cost Centre. The Course Level box will then be populated based on this criteria.
- 9. Click **FINISH** to run the report.

10. The report will be generated based on the selections within steps 6-9 and shows total accumulative worked time by course.
