

FAIR TREATMENT CONTACT OFFICERS

As at 05/09/2019

A Fair Treatment Contact Officer (FTCO) is a person who has been selected and trained by the University. FTCOs can be an independent and confidential contact point for anyone who has questions about bullying, harassment and/or discrimination complaints processes at the University.

Workers decide which FTCO they want to discuss their issue(s) with and contact them (via email or telephone) to make a time to meet.

It is not the FTCO's role to :

- Advocate on behalf of individuals.
- Undertake mediation or investigation.
- Provide grievance resolution.
- Be involved in cases where there may be a perception, real or otherwise, of conflict of interest.

For more information, please see the [Fair Treatment Contact Officer Information Sheet](#).
