

A meeting of the SET HSW North Terrace Forum 1 will be held in the Braggs Meeting Room 214 and via Teams at **3.00pm** on **22 June 2022**.

AGENDA

Item		Paper	Time (mins)	Page
1.	Welcome		5	
1.1	* Apologies (Chair) <ul style="list-style-type: none"> • Lukas Gertsweiler • Ulrike Schacht 	N		
1.2	* Conflicts of interest and other business items (Chair)	N		
1.3	* Starring of items (Chair)	N		
2.	Minutes of Previous Meeting		5	
2.1	* Confirmation of minutes (have been accepted) (Chair)	N		
2.2	* Review actions and business arising - refer to former ECMS and Sciences Action Lists (Chair)	Y		3
3.	Faculty HSW Forum issues to raise/discuss		30	
3.1	* Forum convenor's	N		
3.2	* HSR/Staff Rep	N		
4.	HSW Advisory Report - Faculty HSW Performance		10	
4.1	Senior HSW Advisor Report – Report 2, 2022 (Noted as per Forum discussions)	Y		6
4.1.1	* Notifiable incidents (Stacy Fogliano) <ul style="list-style-type: none"> • Feral cat bite incident • Labyrinth incident 	N		
4.1.2	* Significant Incidents (Stacy Fogliano) <ul style="list-style-type: none"> • Incorrect storage of firearm • Lethabarb in eye 	N		
4.1.3	Open overdue Actions (Noted as per Forum discussions)	Y		17
4.2	* Safety Review Plan 2022 (Paul Roberts)	Y		20
4.3	* SET Faculty Traffic Light Report Q1 2022 – Draft for confirmation (Stacy Fogliano)	Y		24
5.	Other Business		10	
6.	Next Meeting			
	Wednesday 24 August 2022			

-Ends-

F. 2022/

Staff Rep 2 North Terrace Forum 2
HSR Rep 1 North Terrace Forum 3
HSR Rep 2 North Terrace Forum 3
Staff Rep Roseworthy Forum
Staff Rep Roseworthy Forum
Staff Rep Waite Forum

In attendance:

Senior Manager Technical Services
HSW Advisor
HSW Advisory Manager
Executive Officer

Professor Katrina Falkner
Mark Szolga
Professor David Lewis
Associate Professor Phillip Visintin
Professor Wayne Hein
Professor Jason Able
Nick Warner (Teletraffic Research Centre (TRC))
Brenton Howie (Faculty Admin)
Dr Ulrike Schacht (ASPER)
Steven Amos (CEAM)
Dr Lukas Gerstweiler
Dr Yun (Amy) Liu
Associate Professor Paul Medwell (Mech Eng)
Dr Hong Gunn Chew (EEE)
Associate Professor Farhid Hemmatzadeh
Julie Berry
Dr Richard Muhlack

Dr Mailys Stirling
Stacy Fogliano
Paul Roberts
Jodie Butler

FACULTY OF ENGINEERING, COMPUTER & MATHEMATICAL SCIENCES

Health, Safety & Wellbeing Committee

Action List as at 23/3/2022 March 2022

Ref	Agenda Location	Action	Responsible	Status and update
Q1, 2022 (21/03/2022)				
22Q1-06	6.1	HSW Team to follow up issue with first aid kit in SABE not being adequately installed and going missing. The install is being held up by infrastructure.	HSW Team	
22Q1-06	6.2	Martin Lambert raised the construction safety course he is looking to run for CEME Students in addition to the white card training. Martin will send the SET team the proposed subjects to see if they may be able to provide input.	HSW Team	
22Q1-06	6.3	HSW Team to follow up lack of response from infrastructure on flood incidents in engineering north and get back to Scott Smith.	Paul Roberts	

4. Outstanding Actions

Responsible	Action	Update
<p>Item 4</p> <p>Mailys Stirling</p>	<p>Mailys to contact Gerald Buttfeld to make him aware that the current electronic tagging process for common teaching areas is unworkable and dangerous.</p>	<p>Annie Richards has provided the following from Martin Tauchert in Infrastructure:</p> <p><i>That all equipment which is maintained by Infrastructure in CTA spaces, where Test and Tag is applicable, falls into the responsibility of Infrastructure.</i></p> <p><i>The anomaly that has come to light is the equipment managed by ITDS. This equipment is installed, set up and maintained by ITDS or their preferred suppliers. If a globe blows in a projector Infrastructure do not replace the globe. Infrastructure are responsible for the power point in the ceiling and to perform RCD testing on the circuit that supports the power point. The cable that supplies power from the power outlet to the ceiling projector is a component of the projector, which is an ITDS asset</i></p> <p><i>Infrastructure have asked ITDS for an equipment register that covers the CTA spaces. Then they will then arrange a quote to perform all the required testing.</i></p> <p>Mailys Stirling has had a discussion with Gerald Buttfeld and this is now all under control. Common teaching space electrical items are the responsibility of ITDS unless there are specific items that the Faculty / School have installed in these areas in which case the Faculty is responsible for the electronic tagging and testing of these items.</p> <p>Mailys also confirmed that the Contractor employed to do the electronic test and tagging had done this through all areas of the Faculty and Schools with the assistance of the Technical Team. This captured all electronic items including personal items.</p>
<p>Item 5.5</p> <p>Annie Richards</p>	<p>Anne will follow up with SA Health regarding what the COVID 19 requirements are for an area that is classed as an essential service.</p>	<p>Test, Trace, Isolate and Quarantine SA Health click the link and relevant information for AVS is: COVID exposures in critical services and infrastructure – Assessing and managing the risk</p>

		<p>3. Applicability</p> <p>Specific sectors or industries covered by this guidance include:</p> <ul style="list-style-type: none"> • Defence • Essential infrastructure work sites (i.e. energy services, water services, food manufacturing and distribution, excluding meat processing facilities) • Emergency services <ul style="list-style-type: none"> - SAPOL, State Emergency services, Fire Services (excluding employees who work in COVID red zones) • Veterinary services • Agriculture <p>Anne Richards confirmed that Veterinary Services are deemed an essential service.</p>
<p>Item 5.5 Mailys Stirling</p>	<p>Mailys to update the business continuity plan and ensure HDR supervision is included.</p>	<p>The business continuity plan has now been updated to ensure that no HDR student is included on the list unless this has been approved by their Supervisor.</p>
<p>Item 6 Annie Richards</p>	<p>Annie Richards to update Traffic Light Report. ACT-0001497 has now been closed and this can now be changed from Amber to Green A</p>	<p>SPS Incident Reporting and Investigation Act0001497 – Amber, changed to Green A at the meeting = Completed.</p>

SET HSW Advisory Report

To Executive Dean, SET

Cc Chair SET HSW Committee

From Sam Abbott, HSW Advisor

Subject HSW Report – 2/2022

Date 16th May, 2022 Ref

This report is prepared by the HSW Advisor for the Faculty HSW Committee based on the data within UniSafe, HSW Internal Audit outcomes and workers compensation data. The intention of the report is to enable discussion of the safety outcomes for the Faculty by the Faculty HSW Committee.

1. UniSafe Safety Reporting Data & updates

During the first quarter of 2022, SET (previously the Faculties of Sciences and ECMS) had twenty-six (26) safety reports in UniSafe. Twenty-one (21) of these reports were hazard reports, no treatment, or first aid only treatment reports. Five (5) of these reports required GP or medical out-patient treatment. None of these reports required medial in-patient treatment.

Previously, all infrastructure related safety reports were recorded against Infrastructure and DUO. This has resulted in the incident rate, which is reflect in Table 2, where DUO accounts for 20-30% of all incidents in UniSafe. From March 2022, the HSW Advisory team will record Infrastructure related safety issues based on the School/Area occupying the building (if it is a building issue) or staff member reporting the issue (if it is a campus grounds issue). This has been done to address two issues raised by Faculty/Divisions. These are

1. To provide a true indicator of the level of hazard identification by staff, which is a positive performance indicator &
2. To enable Faculties/Division to ensure the suitability of actions to address the safety concerns and their timely completion

Table 1 - HSW Incident Reports in UniSafe - quarterly per Faculty/Division, 2019 to 1/2022

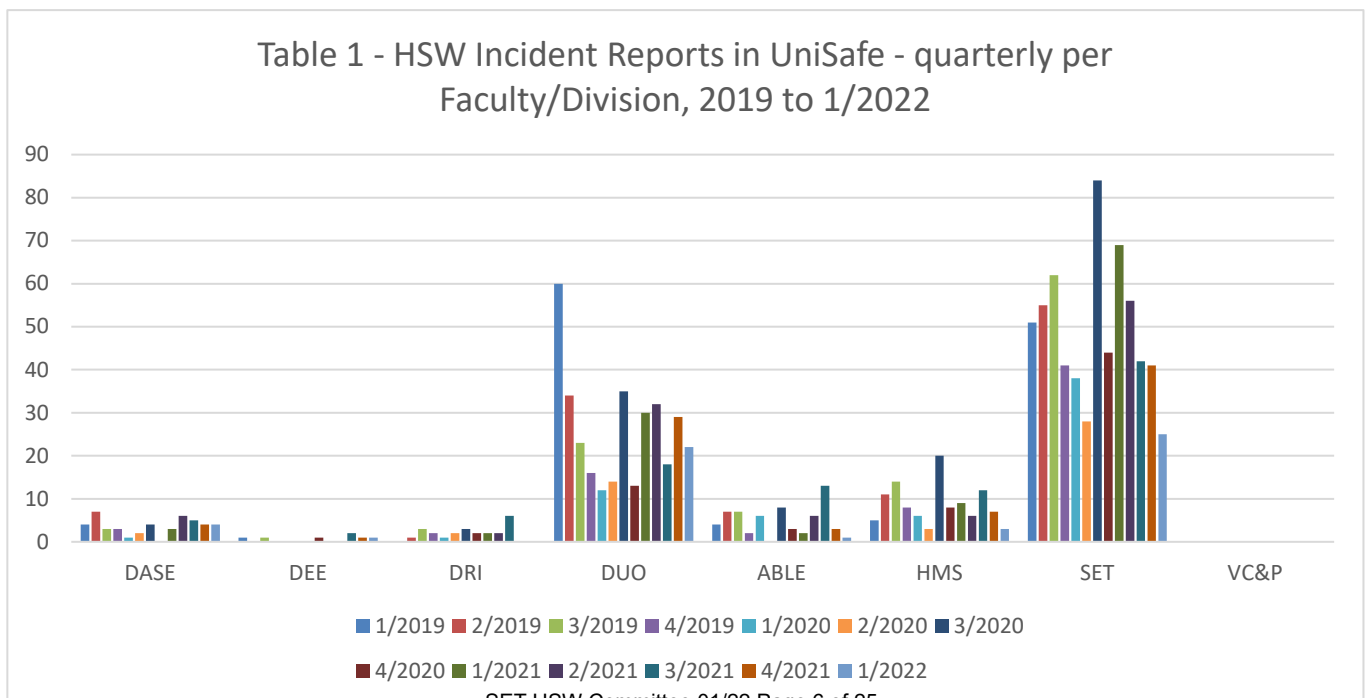

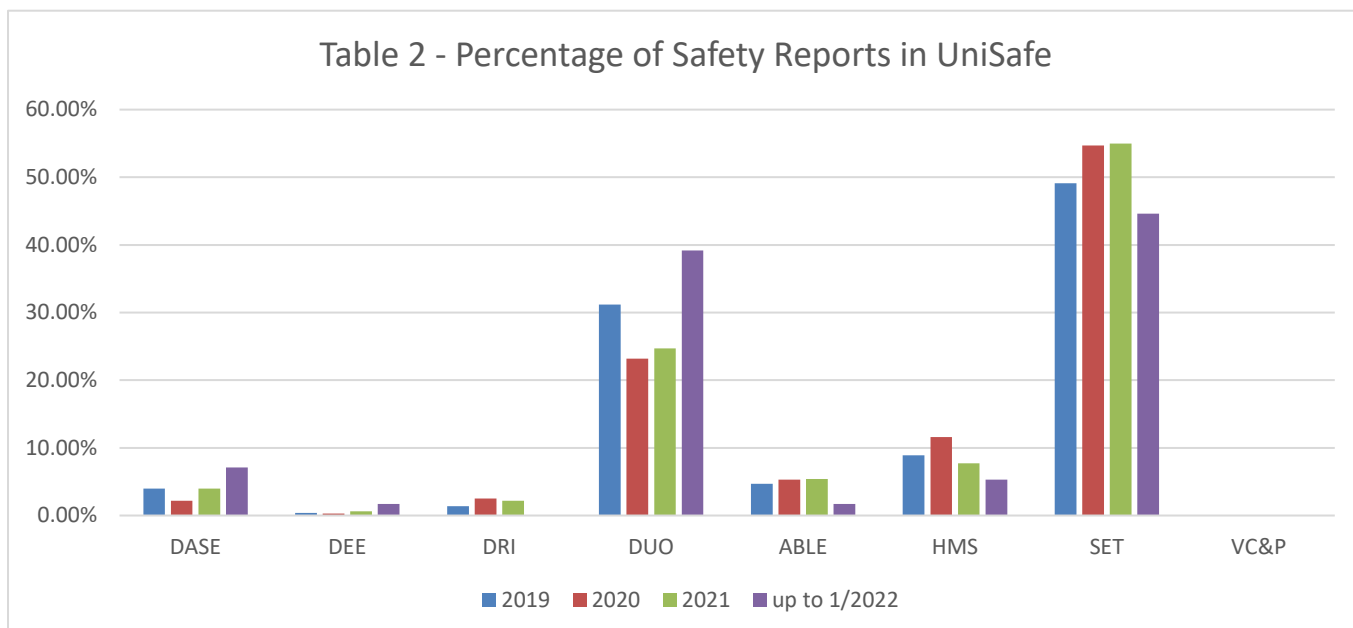

Table 2 - Percentage of Safety Reports in UniSafe

Incidents that were significant or notifiable to SafeWork SA

Incident ID	Area	Date Incident Occurred	Injury	SafeWork Report?	Status
2208	Animal and Veterinary Sciences	17/3/2022	Yes	Yes	Closed
	<p>IP was restraining a cat with a student inserting catheter in preparation for biopsy and x-rays. During restraining, the cat became aggressive and bit the staff member.</p> <p>They immediately washed, disinfected, and iced the wound and continued conducting their work. Later they noted some continued soreness and some swelling appeared, so it was advised that they seek medical assessment at the local clinic.</p> <p>Her tetanus shots are up to date however she was prescribed antibiotics making the incident Notifiable to SafeWork SA</p>				
Incident ID	Area	Date Incident Occurred	Injury	SafeWork Report?	Status
2180	Mechanical Engineering	14/2/2022	No	Yes	Closed
	<p>The Technician was cleaning the Jet lab ready for teaching and started up jet engine to make sure everything was working. As soon as oil and fuel pressure reached its target and engine fired up the fuel metering valve had a leak of approx. 50ml kerosene and the internals of the safety cabinet erupted into flames.</p> <p>Technician hit the emergency stop which shut the jet engine, stopped the fuel and oil which removed the ignition source and most of the flames, Technician then removed the front silencer and sprayed the fire extinguisher inside the cabinet and extinguished the flames. There were only a few flames on the top of the cabinet in the few seconds it took to grab the extinguisher which was out side the lab door.</p>				

SafeWork SA was satisfied with the information provided by the University and closed its investigations without conducting a site visit.

First Aiders and Fire Wardens

The online [Warden Register](#) and [First Aid Register](#) have been updated taking into account recent changes due to OSP. Where any local School or Areas has any concerns about their arrangements for emergency evacuations or first aid they should

- Speak to the Chief Warden in their building to determine if new wardens need to be appointed
- Complete the [First Aid Assessment](#) to determine if the provision of first aid in the local area meets requirements.

HSW Advisory Team

As a result of OSP, a HSW Advisory team has been established with a range of services set out in the [HSW Service Catalogue](#). The HSW Advisor for SET is [Sam Abbott](#). Should any managers, supervisors and staff have any requests for advice, they should use the hswteam@adelaide.edu.au email address.

Human Resources is in the process of filling several vacancies within the HSW Advisory Team, if there are any questions about accessing HSW support please contact the Manager of HSW Advisory, [Paul Roberts](#).

QR Codes for Buildings on Campus and mask wearing

The Executive Director HR advised on 14th April that in line with announced changes by the Premier of SA, face masks will no longer be required to be worn on campus at the University. They will still be mandatory on public transport and ride share services, and in high-risk settings such as hospitals, aged care, and residential disability facilities.

While this change will be welcomed by many, face masks do provide a level of protection from transmission of COVID-19 and some members of the University community may still choose to wear a mask when they can't physically distance from others. The University will continue to make masks available in some areas and the personal choice to wear a mask should be respected.

QR code check-ins will also no longer be required except in a few specific situations like hospitals and aged care facilities. The QR codes around campus should be removed if they are still displayed.

It is important to note that close contact arrangements currently in place will be maintained, consistent with practices in other states around Australia.

As always, please stay home if you are unwell and get tested if you have COVID-like symptoms. If you do test positive to COVID-19 please advise hswteam@adelaide.edu.au so that we are able to provide advice and monitor case numbers. I thank you all for continuing to observe the measures we have put in place to help keep the University community safe.

SSO Report - Attachment A

There are a range of expired licences, certificates and clearances highlighted in the SSO Report (in red) at Attachment A that require review from Schools and Areas in the Faculty. Not all of these will require renewal as staff will have ceased or changed roles meaning the record is no longer required in SSO. In these cases, staff should be advised to delete their expired record in SSO. Only licences, certificates and clearances that are required by the University, for individuals to perform their role, should be entered and maintained in SSO. Information on how to update licences, certificates and clearances is located here [SSO Profile – update process](#).

2. UniSafe Overdue Corrective Actions Data

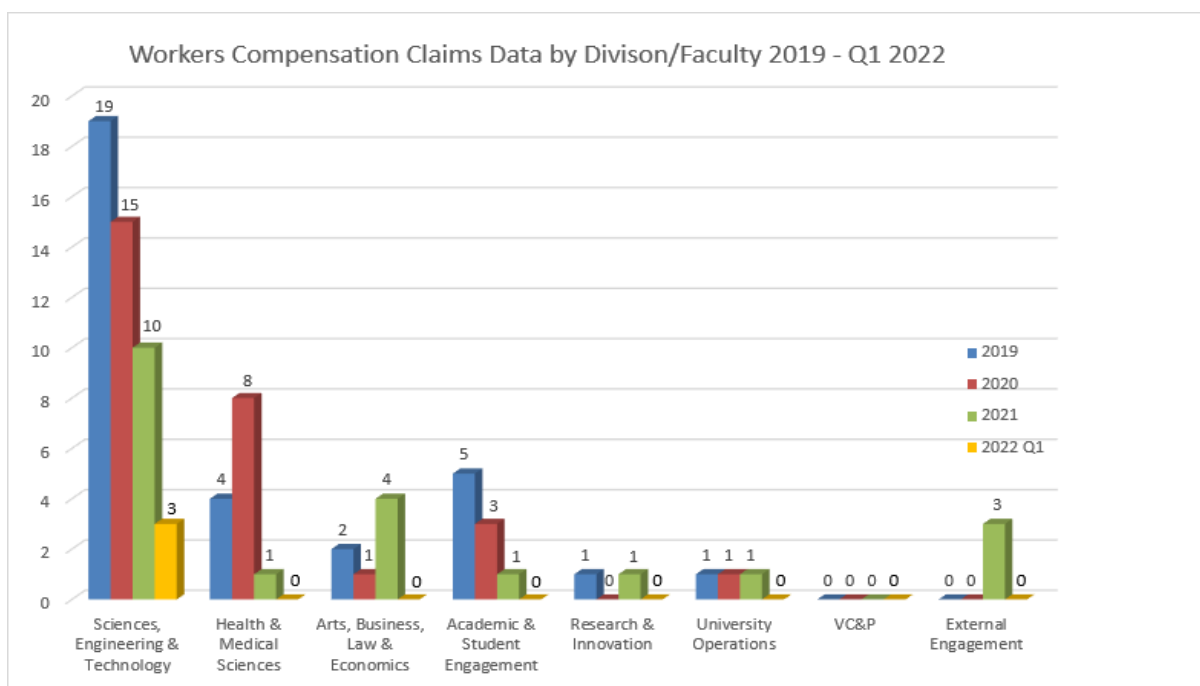

Action ID	Area	Due Date	Action Source	Assigned to	Status
ACT-0001604	EC&MS Faculty Services	01/01/22	Incident	Ayoub, Jon, a183653	Open
Summary	Establish safe zones to stand when loading and dry mixing cement in the Concrete lab				
ACT-0001671	School of Physical Sciences	04/02/2022	Standalone	Steele, Tim, a1226768	Open
Summary	Draft risk assessment(s) and SOP(s) for the use of the 145L liquid nitrogen dewars for the MBE. Ensure Instruction proficiency records are in place and stored on LAHMIS for handling liquid nitrogen.				
ACT-0001584	School of Animal and Veterinary Sciences	25/02/2022	Incident	Baum, Suzanne, a1221123	Evidence for closure req
Summary	Unapproved x-ray radiation incident - A system to be implemented within AVS to ensure that the radiographs are only taken by EPA				
ACT-0001589	School of Animal and Veterinary Sciences	25/02/2022	Incident	Baum, Suzanne, a1221123	Evidence for closure req
Summary	Unapproved x-ray radiation incident - proficiency is it needed and if so then appropriate records				
ACT-0001696	Sciences, Engineering and Technology Faculty Office	28/02/2022	Standalone	McLennan, Alan, a1022124	Open
Summary	Chemical reform project - label unknowns on the master list (BOX), add any additional ones, take photos and submit a combined list via a Work request with accompanying photos.				

ACT-0001564	School of Agriculture, Food and Wine	16/03/2022	Workplace Monitoring	Grbin, Paul, a1018585	Open
Summary	2021 - AFW - Winery - WPM - Paul Grbin to work with David Mc to update existing RA's and SOP's				
ACT-0001565	School of Agriculture, Food and Wine	16/03/2022	Workplace Monitoring	Grbin, Paul, a1018585	Open
Summary	2021 - AFW - Winery - WPM - Customise and implement new local area induction form and process.				
ACT-0001716	School of Mechanical Engineering	14/04/2022	Incident	Abbott, Sam, a1601017	Infrastructure not prioritising issue
Summary	Re: INC-2226 - Monitor WR #377457 - Repair of fire door				
ACT-0001681	School of Biological Sciences	15/04/2022	Audit	Smith, Paul, a1224436	Open
Summary	HSW internal audit R2 2021 Boating - Non-compliance with The Marine Safety (Domestic Commercial Vessel) National Law Act 2012 documentation requirements				
ACT-0001685	School of Biological Sciences	15/04/2022	Audit	Smith, Paul, a1224436	Open
Summary	HSW internal audit R2 2021 Boating - Schedule of Programmable Events (SPE)				
ACT-0001682	School of Biological Sciences	15/04/2022	Audit	Smith, Paul, a1224436	Open
Summary	HSW internal audit R2 2021 Boating - Issues with emergency information				
ACT-0001527	School of Civil, Environmental and Mining Engineering	18/04/2022	Audit	Howard, Katie, a1090786	Open
Summary	Round 1 2021 HSW Internal Audit Plant/Equipment Safety Management – SPS – IRI – (1) both jaw crusher RAs. (2) review induction the use of mobile phones & laptops in the facility (3) review high storage & (4) conduct noise assessment on new rock saw.				
ACT-0001526	School of Physical Sciences	18/04/2022	Audit	Hand, Martin, a1002178	Open
Summary	Round 1 2021 HSW Internal Audit Plant/Equipment Safety Management – SPS – IRI – (1) review jaw crusher RAs. (2) review induction the use of mobile phones & laptops in the facility (3) review high storage & (4) conduct noise assessment on new rock saw.				
ACT-0001586	School of Animal and Veterinary Sciences	29/04/2022	Incident	Olsen, Julie, a1221627	Julie to conduct in-house training. Completion status unknown
Summary	Unapproved x-ray radiation incident - Improved training to be provided from the University Radiation Safety Officer to all current radiation workers in AVS (staff and students) on regulatory requirements for operating an ionising apparatus				
ACT-0001615	School of Physical Sciences	29/04/2022	Standalone	Steele, Tim, a1226768	Open
Summary	Standalone - SPS - review and finalise the local hazard management system in G38a and G38b according the the attached to do list.				
ACT-0001711	School of Agriculture, Food and Wine	30/04/2022	Incident	Boden, Scott, a1076548	Open
Summary	AFW INC-0002188 - create a risk assessment and SOP for undertaking repetitive tasks in a glasshouse environment.				
ACT-0001680	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Diving - Opportunities for Improvement				
ACT-0001676	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Diving - Schedule of Programmable Events (SPE)				
ACT-0001677	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing

					constraints (OSP)
Summary	HSW internal audit R2 2021 Diving - Issues with documentation				
ACT-0001678	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Diving - Qualifications				
ACT-0001688	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Boating - Issues with Instruction				
ACT-0001683	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Boating - Risk assessment and Safe Operating Procedures				
ACT-0001687	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Boating - Issues with Information				
ACT-0001690	School of Biological Sciences	06/05/2022	Audit	Connell, Sean, a1003082	Delayed due to time, staff/resourcing constraints (OSP)
Summary	HSW internal audit R2 2021 Boating - Opportunities for Improvement				

3. Workers Compensation Data

There were 5 Workers Compensation Claims to the end of Q1 2022, compared with 8 for the same period in 2021. Within the first quarter of 2022 there were 3 Workers Compensation Claims from the Faculty of Sciences, Engineering and Technology and 2 Workers Compensation Claims from Controlled Entities.

4. HSW Internal Audit Outcomes

There were no Internal HSW audits conducted in SET during Q1 2022.

5. HSW Handbook chapters revised in the last quarter and items to note

The following table is provided to allow discussion on impending consultation or implementation issues resulting from new procedures or advice.

	Key information summary
Clarification of electrical testing and tagging of university equipment at home.	<p>The preferred supplier for electrical testing and tagging at the University has clarified its initial advice for testing University equipment that is being borrowed by staff to work from home.</p> <p>Normally, these devices would only require testing every 3-5 years (depending on the device) if the device is tested together with the cord. However, if it is not practicable to test the device and cord together, the cord can be tested by itself and scheduled for re-testing in 12 months.</p>
Reporting of electrical shock incidents to the Office of the Technical Regulator.	<p>Recent incidents in the University reporting electric shock have involved notification to the Office of the Technical Regulator (OTR) in addition to SafeWork SA.</p> <p>Discussions with the OTR confirm that notification of all reports of electrical shock is required. This advice aligns with the requirements of the Electrical Safety Management Chapter of the HSW Handbook (refer section 8.4)</p> <p>The OTR also reinforced that persons receiving any electrical shock should also be advised to seek medical examination.</p>
Flu Vaccination Program 2022	<p>Human Resources is again offering free influenza vaccinations for all University staff and is extending the service to all higher degree students.</p> <p>The University's provider is the Pharmacy Guild through its Corporate Program. Book into one of the Pharmacy Guild's network of over 240 participating local pharmacies, enabling you book at a time, date and location that suits you. Click here to book and view the available pharmacy locations.</p>

6. Draft Traffic Light Report (attached separately)

The traffic light report (TLR) is based on the information recorded by the HSW Advisory Team in UniSafe and the findings from HSW internal audits and Safety Reviews. Where actions are decided to address breaches of a HSW handbook chapter - and are completed - the TLR will be flagged as Green A. However, no recorded actions or outstanding actions will be recorded as Amber or Red depending on the due date of the action. The TLR and details of outstanding actions are included in the Due Diligence Report which goes to University Council. Therefore, it is important that any outstanding actions affecting the TLR is discussed within the HSW committee meeting, to ensure that it is correct.

The following are the current status of overdue corrective actions that were discussed in detail at the relevant forums.

	Action Number	Assigned To	Action Summary	Status	Area	Update
03/06/2022	ACT-0001640	Fogliano, Stacy, a1226137	AFW 2021 Q4 HSW committee meeting action: Liaise with grinding and soils areas re dust hazards and potential health surveillance	Open	School of Agriculture, Food and Wine	Stacy and Sam Abbott met to handover - After consultation with Ian Roberts how many groups that may be affected is unclear. Will produce a hazard alert in an attempt to contact any/all applicable groups and get them to opt-in to further service if required. I will meet with Ian Friday.
30/04/2022	ACT-0001711	Boden, Scott, a1076548	AFW INC-0002188 - create a risk assessment and SOP for undertaking repetitive tasks in a glasshouse environment.	Open	School of Agriculture, Food and Wine	Is with the HSW Team for review
03/06/2022	ACT-0001724	Cooper-wilson, Tegan, a1231376	Re INC-2235 - Produce Hazard Alert on the subject of obstructing/blocking gas alarms	Open	School of Chemical Engineering and Advanced Materials	HSW Team is progressing
03/06/2022	ACT-0001725	Cooper-wilson, Tegan, a1231376	Re INC-2235 - Source stickers that might be able to be placed around gas detectors	Open	School of Chemical Engineering and Advanced Materials	HSW Team is progressing
06/05/2022	ACT-0001680	Connell, Sean, a1003082	HSW internal audit R2 2021 Diving - Opportunities for Improvement	Open	School of Biological Sciences	HSW Team working with to close out

	Action Number	Assigned To	Action Summary	Status	Area	Update
06/05/2022	ACT-0001676	Connell, Sean, a1003082	HSW internal audit R2 2021 Diving - Schedule of Programmable Events (SPE)	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001677	Connell, Sean, a1003082	HSW internal audit R2 2021 Diving - Issues with documentation	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001678	Connell, Sean, a1003082	HSW internal audit R2 2021 Diving - Qualifications	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001689	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Issues with Instruction Issue with documentation	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001688	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Issues with Instruction	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001686	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Lack of knowledge of the incident reporting system	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001683	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Risk assessment and Safe Operating Procedures	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001687	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Issues with Information	Open	School of Biological Sciences	HSW Team working with to close out
06/05/2022	ACT-0001690	Connell, Sean, a1003082	HSW internal audit R2 2021 Boating - Opportunities for Improvement	Open	School of Biological Sciences	HSW Team working with to close out
15/04/2022	ACT-0001681	Smith, Paul, a1224436	HSW internal audit R2 2021 Boating - Non-compliance with The Marine Safety (Domestic Commercial Vessel) National Law Act 2012 documentation requirements	Open	School of Biological Sciences	This action needs to be re assigned

	Action Number	Assigned To	Action Summary	Status	Area	Update
15/04/2022	ACT-0001685	Smith, Paul, a1224436	HSW internal audit R2 2021 Boating - Schedule of Programmable Events (SPE)	Open	School of Biological Sciences	This action needs to be re assigned
15/04/2022	ACT-0001682	Smith, Paul, a1224436	HSW internal audit R2 2021 Boating - Issues with emergency information	Open	School of Biological Sciences	This action needs to be re assigned
07/06/2022	ACT-0001646	Hein, Wayne, a1220027	AVS 2021 Q3 HSW committee meeting action - AVS Emergency Response - Bushfires	Open	School of Animal and Veterinary Sciences	Awaiting response from infrastructure
23/05/2022	ACT-0001586	Olsen, Julie, a1221627	Wehr radiation incident - Improved training to be provided from the University Radiation Safety Officer to all current radiation workers in AVS (staff and students) on regulatory requirements for operating an ionising apparatus	Open	School of Animal and Veterinary Sciences	Training developed sessions are being scheduled, once sessions are scheduled training records provided to close this action out. Workplace Monitoring

Safety Reviews for 2022

**make
history.**

Introduction

As part of changes resulting from the Organisational Sustainability Program (OSP) the resources and responsibility for performing safety reviews, in accordance with the Workplace Monitoring HSW Handbook chapter was moved to the HSW Advisory Team in HR.

A Safety Review is a formal, documented review, of an inherently high risk activity, facility or area where the Faculty/Division believes it appropriate to review, after consideration of the risk profiles and other relevant factors, to determine if:

- hazardous activities are being conducted in accordance with the relevant HSW Handbook chapters and locally documented safe systems of work; and/or
- hazardous areas are without risks to health and safety (including the maintenance of plant/structures and the facilities) so far as is reasonably practicable, and to provide an opportunity for the professional HSW officer/co-ordinator to provide advice, support and recommendations for improvement (where required).

Focusing Safety Reviews on inherently high-risk activities is done to ensure there is third avenue, outside of incident investigations and internal audits, that provides information to responsible officers on the safety performance and compliance of areas within their control and responsibility.

Ideally Safety Reviews are performed for inherently high risk activities/areas that have had low incident rates or have not been audited for some time, making it difficult to access their level of safety performance and implementation of HSW Handbook requirements.

Safety Reviews performed in the last three years.

Across the various Faculties and Divisions 50 Safety Reviews have been performed in the last three years, with 66% of reviews performed in SET. Within SET, 27% of reviews were performed in AFW and 24% in AVS.

Table 1

Number of Safety Reviews 2019-2021			
Faculty/Division	2019	2020	2021
SET	AVS = 5 AFW = 7 SPS = 1 Faculty Office = 4 Chem Eng. = 5 Comp Sci = 1	AVS = 2 AFW = 1 SBS = 1 SVS = 1 Chem Eng. = 1	AVS = 1 AFW = 1 ASPER = 1 EEE = 1
HMS	Med = 4 BioMed = 1	Dental = 2	Med = 4 Pub Health = 1 Rural Health = 1
ABLE			
DUO	Finance = 1	HR = 1	
DRI	LAS = 1		Microscopy = 1
DASE			
DEE			
VC&P			

When comparing the location of Safety Reviews to the University Annual Hazard Reviews performed in each School and Branch, there are some areas that have reported hazards – that could be inherently high risk – that have not had safety reviews conducted in the last three years. These are

Table 2

Schools/Areas with potentially high-risk hazards from Annual Hazard Review yet to have a safety review	
Faculty/Division	Area/Hazards reported in Annual Hazard Review 2021
SET	<ul style="list-style-type: none"> • SABE - Plant and equipment, Biological • CEME - Plant and equipment, Chemicals, Radiation, Manual Handling, Biological, Heights, Confined spaces, Noise, Hot Works • EEE – Plant and equipment, Chemicals, Radiation, Heights, Noise • Mech Eng. – Plant and equipment, Chemicals, Radiation, Manual Handling, Biological, Heights, Confined spaces, Noise, Hot Works, Construction • CASR – Plant and equipment, Chemicals, Manual Handling, Personal Threat, Heights, Noise, Isolation • Waite Precinct – Plant and equipment, Chemical, Manual Handling, Biological, Heights, Noise
HMS	
ABLE	
DUO	<ul style="list-style-type: none"> • ITDS – Plant and equipment, Chemical, Radiation, Manual Handling, Biological, Heights, Confined spaces, Noise, Construction
DRI	<ul style="list-style-type: none"> • Thinclab – Plant and equipment, chemical
DASE	
DEE	<ul style="list-style-type: none"> • External Relations – Manual Handling
VC&P	

Potential targets for Safety Reviews in 2022.

After consulting with HSW Advisors and Faculty’s and Divisions, two areas confirmed that they had no inherently high risks – SABE and External Engagement. These were removed from consideration. With the aim of completing a Safety Review in areas, that contain inherently high risks, not covered in the last three years, the following sites are suggested.

Table 3

Faculty/Division	Area/Hazards	In planning with
SET	<ul style="list-style-type: none"> • CEME – Rover lab • EEE – Laser lab • Mech Eng. – S212, S213 and S215 • CASR – Field work, Lab and storeroom • Waite Historic Precinct - Volunteers Program 	David Lewis Leanne Haller Anthony Zander/Paul Medwell Leonie Witter Erica Boyle
DUO	<ul style="list-style-type: none"> • ITDS – Operations and Digital Services 	Simon Howard

Questions needing resolution.

Would FHMS be concerned if it did not have any Safety Reviews performed in 2022?

If yes, what area/s might FHMS like to see included?

If the HSW Advisory Team needed to prioritise areas in SET for a Safety Review, due to current vacancies in the team, which areas would SET preferred be included for 2022?

SET Traffic Light Report (Q1 2022) DRAFT

The SET HSW Traffic Light Report is a three colour Traffic Light with the key below, that identifies the requirement to take action/s due to a non-compliance with HSW Handbook Chapters. The report is used by the Faculty Health and Safety Committees to monitor compliance with 13 chapters of the HSW Handbook.

Ref	Requirement	ECMS Faculty Services	Chemical Engineering	Mechanical Engineering	Civil, Environmental and Mining Engineering	Computer Sciences	Electrical and Electronic Engineering	Mathematical Sciences	Australian School of Petroleum & Energy Resources	Centre for Automotive Safety Research	Teletraffic Research Centre	Architecture & Built Environment
1	Schedule of Programmable Events	Green A	Green	Green	Green	Green	Green	Green	Green	Green	Green	Green

13	HSW Information, Instruction & Training	Green	Green	Amber	Green	Green	Green

The data in the University Traffic Light Report covers the period up to the end of Q1 (31 March). Note below all exceptions to “Green” appearing in the Traffic Light report

AVS – HSW Information Instruction and Training – Amber – Action 1586 needs to be closed to address findings of incident investigation (#1933)
SPS – Schedule of Programmable Events – Green A – Actions 1521, 1522 and 1491 have been closed to address Round 1, 2021 Internal Audit Findings
SPS – Chemical Safety Management – Green A – Action 1527 closed to address Round 1 2021 Internal Audit findings. Actions 1495 and 1496 have been closed
SPS – Hazard Management - Green A – Actions 1526 and 1527 closed to address Round 1 Internal Audit findings. Actions 1528, 1529, 1499 and 1500 have been closed
SPS – Noise and Sound – Green A – Action 1527 closed to address Round 1 2021 Internal Audit findings
SPS – Plant/Equipment – Green A – Action 1527 closed to address Round 1 2021 Internal Audit findings. Actions 1523 and 1524 have been closed.

Green	No compliance issues with the HSW Handbook
Green 'A'	In the last quarter action had to be taken to rectify an issue of non-compliance with the HSW Handbook that was identified reactively through either an incident investigation or an HSW audit (Do not indicate an A for proactively identified issues)
Amber	Action is required to address a compliance issue that is expected to be rectified by the next HSW Traffic Light Report.
Red	Action is required to address a compliance issue that is unlikely to be rectified by the next HSW Traffic Light Report.
N/A	Not applicable
