

A meeting of the Divisional Health, Safety, and Wellbeing Committee was held **via Zoom at 10:00 am on Thursday 18 August 2022.**

**Meeting Chair:** Ashley Gauld

**HSW Advisors:** Anthony Parletta and Sam Abbott

**Executive Support:** Nicki Witcher

---

### **UNCONFIRMED MINUTES**

**Present:**

Mr. Ashley Gauld, DASE  
Mr. Anthony Parletta, Senior HSW Advisor  
Mr. Sam Abbott, HSW Advisor  
Ms. Tracey Flintoff, English Language Centre  
Ms. Karen de Cruz, Library  
Ms. Jillian Allen, Student Life  
Mr. Bryan Lee, Ask Adelaide  
Ms. Jessica Jacobson, Spoke - HMS  
Mr. Gary Agius, Wirltu Yarl  
Ms. Trisha Graham, Student Wellbeing & Access  
Ms. Tuila Wells, Employability, Careers & Student Academic Skills  
Ms. Nicki Witcher, Learning Enhancement and Innovation

**Apologies:**

Apologies were received from Stephanie Rogers, Jo Corbett, and Geoff Denison.

**Proxies:**

Mr. Isaak Kwok attended as a proxy for new member Rebecca Coxon, PACE.

#### **1 Welcome and Apologies**

Apologies noted as above.

Welcome to the Committee to Tracey Flintoff from English Language Centre and Rebecca Coxon, PACE.

Ashley advised that Jo Corbett has recently been elected as Health and Safety Representative (HSR)

Sam clarified the different roles and responsibilities for HSW as follows.

- Senior HSW Advisor / HSW Advisor – Dedicated staff employed by Human Resources to provide advice and support in relation to HSW policy, training, issue reporting & management, etc.
- Health and Safety Representatives (HSRs) – HSRs are elected roles that assist with discussion and consultation regarding HSW matters. They undertake specific training and

have powers and functions assigned to them to assist them to undertake their roles. HSR is a role that is secondary to their everyday role.

- HSW Committee Member/Representative – A staff member from a particular unit or location that has some responsibility for disseminating information and undertaking HSW tasks (i.e., ensuring Fire Wardens are in place in their area, advising UniSafe of any safety issues that require action, etc.).

Sam gave the following example of the role of HSR: If the committee decides that an issue that has been reported to UniSafe has not been resolved or actioned appropriately then this can be raised with the HSR who can then escalate the issue on behalf of the committee as required.

## 2 Confirmation of Minutes

Minutes of the meeting held on 9 June 2022 were accepted.

## 3 HSW Advisory Report – Q2, 2022

Sam provided a brief overview of the HSW Advisory Report that was previously circulated to members highlighting the following points:

- There were 9 incidents in UniSafe for Q2, 2022, a breakdown of each incident is listed on page 2 of the HSW Advisory Report. There were no major incidents for Q2 that needed further discussion.

Sam advised there has been an increased volume of maintenance requests that have come through to the HSW team first, and then these requests are then passed on to maintenance for action. The HSW team is fine with this and is happy to determine if the request requires maintenance action or if it is a potential safety hazard.

Sam encouraged staff to raise any potential safety issues or concerns with the HSW team via the email address [hswteam@adelaide.edu.au](mailto:hswteam@adelaide.edu.au) and reminded staff that proactive health and safety management is always welcome.

No action items were raised from Q2, 2022 incidents reported.

- Sam reminded the committee of the UniSafe software upgrade that occurred on the 29th of July. From the 1st of August 2022, there will be no impact for people using a desktop computer, laptop, or tablet/iPad, however, for those who use a smartphone to report safety issues, they will need to download and install a new app. The new app has a different name and is called **Roam5**. Encourage your management group and extended teams to download the new mobile app. Staff will need to delete the old EHS Manager 360 App and install the new **Roam5** app. This can be done through the [Apple store](#) or [Google Play store](#).

Roam5 app

Posters are being distributed and posted across campus reminding staff and students about the new UniSafe app.

- Sam reminded the committee that current COVID 19 University updates can be found on the university's COVID19 webpage [here](#) and to please contact the HSW team if you require face mask stocks in your area, Ashley also advised he has some limited stock of RAT tests if required, please contact Ashley direct should you require them.
- Committee members are encouraged to remind First Aiders and Wardens in their team to make sure that their personal information and training certificates are recorded in:

- i) Staff Services Online
- ii) University Phone Directory
- iii) [Warden Register](#) or [First Aid Register](#)

It is a Warden and First Aider's responsibility to maintain the accuracy of this information and update it as changes occur, it is very important that this information is current and up to date.

Sam advised that a couple of members of the HSW team are currently working on a project that will work closely with the Chief Wardens so that they fully understand and are equipped to manage their warden networks.

Sam clarified that the Chief Fire warden's responsibility, once they are recruited and trained, is to assess how many wardens they may need for their allocated area. As a rule, each building requires at least one Chief Warden. The Warden register is the go-to list for Chief Wardens to refer to for their area, any concerns that are raised regarding the list i.e., inadequate Wardens in a building/area can be raised directly with the HSW team at [hswteam@adelaide.edu.au](mailto:hswteam@adelaide.edu.au).

**Action: Committee members to go back to their teams/divisions to initiate discussions to check their building/areas and assess that they have enough warden coverage. Please reach out to Ashley Gauld [ashley.gauld@adelaide.edu.au](mailto:ashley.gauld@adelaide.edu.au) or Sam Abbott [sam.abbott@adelaide.edu.au](mailto:sam.abbott@adelaide.edu.au), with any issues/questions.**

#### 4 Opportunity to raise safety concerns

Nicki advised that the Chief and Deputy Fire Warden in the LEI team had recently completed a walk-around building audit which had raised some potential risks/hazards. An example of the issues raised are stacked boxes that are blocking a fire exit and the warden's phone not working on level 5, Hughes building, Nicki asked who would be the best point of contact to raise these issues via UniSafe or HSW email?

Sam advised that raising a service request with maintenance will be the best option to start and keep a close eye on the requests being actioned and escalate them to the HSW team if they are not actioned in a timely manner, however with the warden's phone not working this would be best raised with UniSafe.

#### 5 Other business

Jillian raised a question regarding electrical testing and tagging, who are the preferred providers and how do teams go about initiating?

Karen shared from a library's perspective, that testing and tagging are actioned by the University's preferred provider, Service FM, Karen advised that their team request an annual quote from Service FM who then looks at the previous year's testing and provides a list of which items need to be tested this year, some items require annual testing and some items require testing every 2 or 5 years. Each area/department is responsible for coordinating this process.

Sam raised the question is this action at a divisional or a branch level and it seems that each division does it differently?

**Action: Committee members to speak with their branch leadership to see how testing and tagging have been managed historically in their area, identify any potential gaps, and reach out to the HSW team for further questions or to raise an issue. If there is an established process in your area the key is to keep the process going.**

A list of preferred suppliers can be found Universities Procurement web page [here](#).

#### 6 Next Meeting

The next scheduled meeting is on 17 November 2022.

**DIVISION OF ACADEMIC AND STUDENT ENGAGEMENT  
HEALTH, SAFETY AND WELLBEING COMMITTEE  
MEETING 3/22**

A meeting of the Divisional Health, Safety and Wellbeing Committee will be held via Zoom at **10.00am on Thursday 18 August**.

**AGENDA**

- 1. Welcome and Apologies**  
Updates to membership
- 2. Confirmation of Minutes**  
Minutes of Meeting 02/22 (9 June 2022)  
*Recommendation: That the **Divisional Health, Safety and Wellbeing Committee** approve the minutes of the meeting held on 9 June 2022.*
- 3. HSW Advisory Report – Q3, 2022** *Attached*
- 4. Opportunity to raise safety concerns**
- 5. Opportunity to discuss changes to Divisional safety processes**
- 6. Other Business**
- 7. Next Meeting**  
The next meeting is scheduled for 17 November 2022.

-Ends-

Table 2 - Percentage of Safety Reports in UniSafe

HSW Incidents for DASE during Q2 2022.

| Incident ID | Area  | Date Incident Occurred | Injury | SafeWork Report? | Status |
|-------------|---|------------------------|--------|------------------|--------|
| 2232        | University Library (NT)   | 1/4/22                 | No     | No               | Closed |
|             | A lady nearly tripped over due to the mat at the exit of the Hub Central (facing the Elder Hall) not being 'flat' on the ground. A mat in a poor state of repair was identified and removed.  |                        |        |                  |        |
| 2248        | Student Experience  | 1/4/22                 | Yes    | No               | Closed |
|             | Student allergic reaction to a meal from the Roseworthy (Matildi) Cafe containing mushrooms (the question whether or not the dish contained mushrooms was asked and was told no by the cashier). Vomiting, rash and mild swelling after only cutting and identifying (not eating) the mushrooms followed. The student decided not to use their own epipen, as they recognised their own symptoms as manageable. David Purdie managed the incident verbally with Matildi staff (e.g. they must always check allergy questions from customers with the chef). |                        |        |                  |        |
| 2253        | Student Learning  | 12/4/22                | No     | No               | Closed |
|             | Tripping Hazard - Grey Anti Slip Ribbed Entrance Floor Mat The Hub Central - Southern/Eastern Glass Entrance Doors (Nearest to the General Store/ANZ ATM/Metro Card Recharge Unit) secured on only three sides – forth side creates a tripping hazard. Mat removed and replacement ordered.   |                        |        |                  |        |
| 2268        | Student Experience  | 17/4/22                | Yes    | No               | Closed |
|             | During a fire evacuation drill today a staff member stated that as they were coming down the stairs they missed the last step to exit the building and fell heavily on their right knee. It was identified that yellow hazard tape that identified the steeper nature of the last step had become obscured. Ordered replacement.  |                        |        |                  |        |
| 2288        | Student Learning  | 16/5/22                | No     | No               | Closed |
|             | Housekeeping/obstruction hazards reported from floor 6 of Kenneth Wills building (room 635a). Work request submitted for clean-up.  |                        |        |                  |        |
| 2309        | Education Transformation  | 26/5/22                | Yes    | No               | Open   |

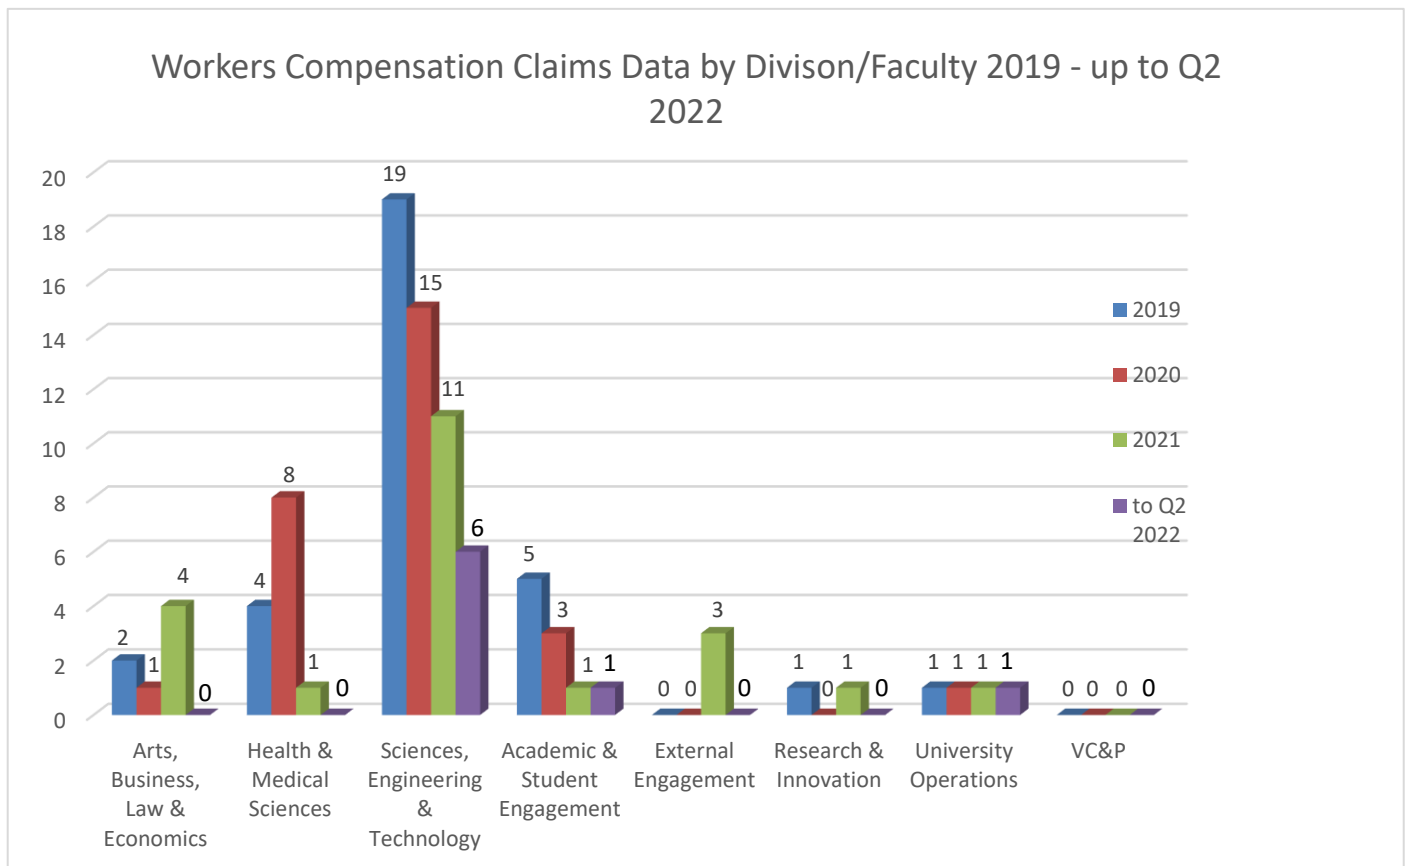

|             | A staff member's asthma is continually triggered by unknown source(s) in RMP L3. Air monitoring by Greencap has been conducted and we are awaiting the final findings and report.  |                        |        |                  |        |
|-------------|--|------------------------|--------|------------------|--------|
| Incident ID | Area   | Date Incident Occurred | Injury | SafeWork Report? | Status |
| 2344        | Indigenous Engagement  | 26/5/22                | No     | No               | Closed |
|             | A staff member reported a lift fault - 1st floor in the Schulz building. Work request raised for inspection and (if necessary) repair.   |                        |        |                  |        |
| Incident ID | Area   | Date Incident Occurred | Injury | SafeWork Report? | Status |
| 2352        | University Library (Waite)   | 20/6/22                | No     | No               | Closed |
|             | Head bump hazard identified in one of the library braces. Hi-vis hazard tape placed on brace.  |                        |        |                  |        |
| Incident ID | Area   | Date Incident Occurred | Injury | SafeWork Report? | Status |
| 2356        | Office of DASE   | 23/6/22                | No     | No               | Closed |
|             | Panel fell from the ceiling and hit the front reception desk related to contractor work occurring in the area. Contractor onsite put back in place despite being asked not to (supervisor in area wanted it replaced by someone independent). HSW staff recommended that no one sit in the desk area close to the panel and that a work request be raised for an independent contractor to check the secure fittings of the panel. Actions completed same day. |                        |        |                  |        |

## 2. UniSafe Overdue Corrective Actions Data

There are no overdue actions in UniSafe for DASE.

## 3. Workers Compensation Data

There were 11 workers compensations claims submitted up to Q2 2022, compared with 18 for the same period in 2021. For the first two quarters of 2022, there were 6 Workers Compensation Claims from the Faculty of Sciences, Engineering and Technology and 3 Workers Compensation Claims from Controlled Entities.

## 4. HSW Internal Audit Outcomes

There were no internal audits performed in DASE during Q1 of 2022.

## 5. HSW Handbook chapters revised in the last quarter and items to note

The following table is provided to allow discussion on impending consultation or implementation issues resulting from new procedures or advice.

|   | <b>Key information summary</b>   |
|---|--|
| <a href="#">Management of Controlled Substances and Controlled Plants</a> | <p>The key objectives of the new chapter are to ensure that:</p> <ul style="list-style-type: none"> <li>• those who possess, use, store and dispose of controlled substances and plants, whilst undertaking University work, understand and meet legislative requirements,</li> <li>• hazards associated with controlled substances and plants are identified, assessed and that effective control measures are in place,</li> <li>• unauthorised access to or loss of controlled substances and plants is minimised, and</li> <li>• incidents/injuries involving controlled substances and plants are reported and investigated.</li> </ul> <p>The new chapter expands elements of the <a href="#">HSW Chemical safety management handbook chapter</a> that relate to controlled substances and controlled plants, given the high level of regulation required under the Controlled Substances Act 1984 and associated Regulations. The Chemical safety management handbook chapter will remain in place without the controlled substances section.</p> |
| <a href="#">HSW Roles &amp; Responsibilities for supervisors</a>          | <p>Supervisors play a very important role in ensuring that their staff and students are aware of any safety requirements related to any activity that will be undertaken. The supervisor has line management control of their staff and students, and is responsible for addressing any inappropriate or unsafe behaviours.</p> <p>The HSW Roles &amp; Responsibilities document capture an easy to reference snapshot of who should be involved in the delivery of specific HSW services/activities. The aim of the information is to provide a level of clarity around the range of activities required to ensure appropriate management and maintenance of the HSW System and whom has a key role in what activities. This information is indicative rather than exhaustive.</p>  |
| <a href="#">HSW Internal Audit Program 2022</a>                           | <p>The current Internal Audit/Systems Review plan and the outcomes and recommendations from previous audits are provided for reference.</p>  |

## 6. Draft DASE Traffic Light Report (Q2 2022)

The traffic light report (TLR) is based on the information recorded by the HSW Advisory Team in UniSafe and the findings from HSW internal audits and Safety Reviews. Where actions are decided to address breaches of a HSW handbook chapter - and are completed - the TLR will be flagged as Green A. However, no recorded actions or outstanding actions will be recorded as Amber or Red depending on the due date of the action. The TLR and details of outstanding actions are included in the Due Diligence Report which goes to University Council. Therefore, it is important that any outstanding actions affecting the TLR is discussed within the HSW committee meeting, to ensure that it is correct.

### Note below all exceptions to “Green” appearing in the Traffic Light report

|                       |  |
|-----------------------|--|
| <b>Not Applicable</b> |  |
|-----------------------|--|

|                  |   |
|------------------|---|
| <b>GREEN</b>     | No compliance issues with the HSW Handbook  |
| <b>Green 'A'</b> | In the last quarter action had to be taken to rectify an issue of non-compliance with the HSW Handbook that was identified reactively through either an incident investigation or an HSW audit (Do not indicate an A for proactively identified issues) |
| <b>AMBER</b>     | Action is required to address a compliance issue that is expected to be rectified by the next HSW Traffic Light Report.   |
| <b>RED</b>       | Action is required to address a compliance issue that is unlikely to be rectified by the next HSW Traffic Light Report.   |
| <b>N/A</b>       | Not applicable  |

## **7. Other Safety related items**

### **UniSafe Upgrade – 29<sup>th</sup> July**

A software upgrade will occur for UniSafe on 29 July, 2022, the system will be offline from 12pm 29 July 2022 and be back online on 1 August 2022. During this outage use the [hswteam@adelaide.edu.au](mailto:hswteam@adelaide.edu.au) email address to report any safety issues.

From the 1<sup>st</sup> of August 2022 there will be no impact for people using a desktop computer, laptop or tablet/iPad. However, for those who use a smartphone to report safety issues, they will need to download and install a new app. Information and help can be found [here](#).

### **Restructure of Designated Work Groups for electing HSRs**

As a result of recent restructures at the University, a process was commenced with the NTEU to review the structure of Designated Work Groups (DWGs) for the election of Health and Safety Representatives (HSRs). This review looked at compliance against the handbook Chapter for [HSR and HSW Consultation](#).

The University and NTEU adopted similar principles, to those previously used when restructuring DWG's in order to

- Maximise flexibility and access to elected HSR's by staff
- Ensure all staff are included in a DWG
- Minimise vacant HSR positions

Agreement has been reached and the new structure of DWGs can be found [here](#). As a result, all current HSR's terms have been terminated and a call for nominations will commence on Monday 25<sup>th</sup> July, via an [online nomination form](#), and close on Friday 5<sup>th</sup> August. If elections are required, they will commence on 8<sup>th</sup> August.

### **First Aiders and Fire Wardens**

Wardens and First aiders are reminded to ensure their personal information and training certificates are recorded in

- Staff Services Online
- University Phone Directory
- the [Warden Register](#) or [First Aid Register](#)

It is a Warden and First aider responsibility to maintain the accuracy of this information.

### **HSW Advisory Team**

Schools and Areas are reminded that the range of services offered by the HSW Advisory team are set out in the [HSW Service Catalogue](#). Should managers, supervisors and staff have any requests for advice, they should use the [hswteam@adelaide.edu.au](mailto:hswteam@adelaide.edu.au) email address.

The HSW Roles and Responsibilities document has been revised and updated to reflect OSP changes at the University. Managers, supervisors and staff are encouraged to consult this document if there is a need to clarify roles and responsibilities for safety in the post OSP structure.

If there are any questions about accessing HSW support please contact the Manager of HSW Advisory, [Paul Roberts](#).

### **COVID reminders and mask wearing**

Staff are reminded to consider the information provided by SA Health and take the precautions advised to prevent or lessen the harmful effects of COVID.

Criteria in eligibility for 4<sup>th</sup> booster vaccines has changed so please [check here](#) to see if you qualify. Mask wearing is mandatory in some settings in SA. People are encouraged to wear masks in other places, particularly if unable to physically distance and in indoor or crowded places. [See here](#) for information on mask wearing.

As always, please stay home if you are unwell and get tested if you have COVID-like symptoms. If you do test positive to COVID-19 please advise [hswteam@adelaide.edu.au](mailto:hswteam@adelaide.edu.au) so that we are able to provide advice and monitor case numbers. I thank you all for continuing to observe the measures we have put in place to help keep the University community safe
