## Initiating a Temporary Delegation Form

A form can be initiated by an active fixed term or continuing employee for themselves or another employee within their area.

1. Navigate to **HR eForms Homepage** and click on **Create a HR eForm** in PeopleSoft from SSO.
2. Select either **Temporary Delegation eForm – Delegation Holder** or **Temporary Delegation eForm – on behalf of Delegation Holder** depending on who is initiating the form.
3. If you have selected **Temporary Delegation eForm – on behalf of Delegation Holder** search for the employee you want to initiate the form for, using either **Empl ID**, **First Name** or **Last Name**. If you have selected **Temporary Delegation eForm – Delegation Holder** the form will be displayed with your details.
4. If there are multiple employees who meet your search criteria, select the desired employee from the **Search Results**. If multiple search results do not exist, the form will be displayed.
5. The form will pre-populate with the staff members current Finance and/ or HR delegations. If the Delegation Holder has both Finance and HR delegations both of the checkboxes at the top of the page will be ticked, if they only hold one the opposing checkbox will be ticked.
6. If only the HR or Finance delegations are to be transferred, untick the corresponding checkbox. The screenshot displays that only the Finance delegations are to be transferred.
