## THE UNIVERSITY OF ADELAIDE IS COMMITTED TO EDUCATING FOR REAL-WORLD CHALLENGES AND DELIVERING JOB-READY GRADUATES.

Our internship opportunities are win-win — as you enhance our students’ professional capabilities, we’ll support them to expand your capacity as an organisation.

### Host employer benefits

We make workplace partnerships easy, helping you take advantage of the value our program provides.

- There is no direct cost - our internships are typically unpaid with insurance covered by the University.
- Build awareness of your sector and organisation among future graduates.
- Gain from new ideas, energy and a fresh perspective.
- Identify and attract future talent.
- Build your existing team’s mentoring and supervisory skills.
- Create strong links with our world-class research and academic staff.

Our internships support cultures of leadership, citizenship and innovation by giving you access to some of the best and brightest young minds in the state.

### Internship guidelines

We ask hosts to provide interns with:

- A project or tasks of relevance to your business or industry.
- Suitable work space and facilities.
- On site supervision.
- Health and safety induction on commencement.
- Feedback on the student’s performance.

### How it works

Our team are here to assist you throughout the internship process, from scoping the best project and shortlisting students, to coordinating paperwork and providing feedback. An overview of the internship process is as follows:

#### Scope

Our team will assist you to scope a project or tasks based on business need and obtain University approval.

#### Recruitment

Our team will promote your internship opportunity to suitable students and manage applications.

#### Shortlisting

Our team will shortlist applications and send through a recommended shortlist for you to decide on the successful student. You choose how involved you want to be with this process.

#### Agreement

Our team will coordinate the relevant paperwork and agreements to cover off on responsibilities, agreed tasks, timing, confidentiality, IP and insurance. As students undertake internships as part of their university studies, they are generally a vocational placement under the Fair Work Act.
