SERAPHIM PLAYS SCHUBERT

In his larger forms, Schubert is a wanderer. He likes to move at the edge of the precipice, and does so with the assurance of a sleepwalker. – Alfred Brendel

Seraphim Trio invites you to experience the piano trio masterworks of the great wanderer, Franz Schubert. 2016 is our year of total immersion in Schubert. After two decades of living with and alongside these great works of chamber music, we invite you to join us for the journey.

Seraphim will be joined by violist Jacqui Cronin and bassist Belinda Kendall-Smith for Schubert's timeless Trout Quintet and Schubert's rarely heard piano quartet.
