

# Learning and Quality Support

Division of Academic and Student Engagement

The University of Adelaide

## Sample Review Panel Questions for Interviewees

### FOR STUDENTS

Possible areas for a student to address in a submission/interview

#### 1. *Quality, structure and content of the programs*

- Course choice – Is there too much/not enough choice in the courses that students may do as part of the degree?
- Diversity of courses
- Quality of online materials
- Inclusive curriculum
- Contemporary curriculum

#### 2. *Appropriateness and effectiveness of teaching methodologies*

- Have you found the level of teaching to be of a high standard?

#### 3. *Student Support*

- Has the level of student support been adequate?
- Career advice - Is it clear what kind of employment opportunities there are for someone who has graduated with this degree?
- How difficult is it to get a job after graduating
- Pathways advice

#### 4. *Assessment Practices*

- Assignments, exams

#### 5. *Program Administration*

#### 6. *Facilities*

#### 7. *General*

- Are you satisfied/dissatisfied with the course/program overall, particular courses in the program?
- Can you suggest any improvements that could be made?
- Has this program met your expectations?
- How did you develop an interest in this program?
- What kind of skills were you hoping to get when you enrolled in this program?
- Why did you choose the University of Adelaide?
- Did the program deliver what it claims in the marketing materials?
- Were the resources and facilities appropriate and sufficient?
