The University's Insurance Cover

The University obtains insurance to provide protection (indemnity) to the University in the event of a claim made by a third party. Students undertaking voluntary placements are provided with:

- **Public Liability Insurance** to a limit of \$20M per any one event for an act, error or omission on the part of the student that results in injury loss or damage to the Host Organisation.
- **Travel Insurance** while undertaking approved University travel.
- **Personal Accident Insurance.**

Please note that the University's insurance cover does not extend to students working in paid employment.

Steps to obtain cover

1. The student must complete the Part A Student Details – *Application for University Insurance Cover for Voluntary Placement* - and submit it to the Host Organisation.
2. The Host Organisation is asked to complete Parts B and D, and note the conditions in Part C, and to return the completed *Application for University Insurance Cover for Voluntary Placement* to the University's Legal & Risk Branch – via email: helpdesklegal@adelaide.edu.au
3. The Legal & Risk Branch will complete Part E – Approval or Denial - and provide the student with the completed agreement and copies of the certificates of insurance.
4. Approval will be granted if:
 - The placement is relevant to the student's course of study or future career prospects.
 - The student agrees to avoid all high-risk activities during the placement. This includes extreme sporting activities and may also include water activities. High risk activities must be approved by the Legal & Risk Branch Insurance Office prior to commencing the placement.
5. On approval, the Legal & Risk Branch will hold a record of the *Application for University Insurance Cover for Voluntary Placement* on file. Please allow 5 working days for the application to be considered.
6. To ensure cover remains valid, the student or the Host Organisation must report any adverse or notifiable events as soon as they occur – the steps to do this are outlined on the following pages.

Important information for Students

The University is not responsible for any aspect of a voluntary placement, including but not limited to, the safety or security of the student undertaking the voluntary placement.

Any issues or concerns arising on a voluntary placement are between the Student and the Host Organisation.

Students are advised to familiarise themselves with information provided by the Fair Work Ombudsman on unpaid work: <http://www.fairwork.gov.au/pay/unpaid-work/work-experience-and-internships>

Important information for Host Organisations

Voluntary placements are organised by the students themselves and are not facilitated by the University.

The University is not responsible for the behaviour of students whilst undertaking voluntary placements.

Voluntary placements do not meet the “vocational placement” exemption under the Fair Work Act 2009 (Cth). It is the **Host Organisation’s own responsibility** to ensure that the placement is lawfully structured and does not constitute unlawful unpaid work.

The Host Organisation is advised to familiarise itself with information provided by the Fair Work Ombudsman on unpaid work: <http://www.fairwork.gov.au/pay/unpaid-work/work-experience-and-internships>

If the placement is considered legally to be an employment relationship, the University’s insurance cover will not apply.

Reporting adverse or notifiable events

A Notifiable Event is any incident that could result in a claim made against the University. It may be a consequence, fact, situation, error, omission, occurrence, activity or failure to do something.

Examples:

- Threat of legal action
- Fraud or fraudulent activity
- Accidental release of toxic vapour in a laboratory
- Injury to a patient during treatment
- Damage or vandalism of property or equipment

THE UNIVERSITY MUST NOTIFY
OUR INSURERS OF EVERY
NOTIFIABLE EVENT TO ENSURE
WE REMAIN INSURED

It is essential that notifiable events are reported to the Legal & Risk Branch as soon as they occur or become evident. Any change in the circumstances of a previously reported notifiable event must also be reported.

A failure to report may mean the denial of a claim.

How to make a report

To report a notifiable event, please complete the report form in Part F at the end of this guide and email it to helpdesklegal@adelaide.edu.au.

Alternatively, please phone the Legal & Risk Branch on (08) 8313 4539 to discuss the matter
