UTR1.145 - THE STAN EDMONDS MEMORIAL PRIZE

A. Dr Stan Edmonds died in 1995, and following his death former colleagues and students donated funds to establish a prize to commemorate the long and significant association he had with the Department. Dr Stan Edmonds was a much loved Lecturer and ultimately Reader in the Department of Zoology from 1952 to 1974, remembered especially for his excellence in his teaching in first year Zoology.

B. The University accepted the donations upon the trusts specified by the donors and the donations therefore became the capital subject to those trusts (‘capital sum’).

Name of the Fund

1. The capital sum, all income arising from the capital sum, and any accumulations and additions thereto together form a fund called ‘The Stan Edmonds Memorial Prize’ (‘fund’).

Investment of the Fund

2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the trusts specified by the donor.

This is an endowed prize with the capital held in the University’s Endowment Fund and the income distribution each year used to fund the prize.
