UTR1.164 - THE DAVID HAYMAN PRIZE IN GENETICS

A. In 2006 the sum of $10,000 was given to the University by the Miller family to establish a prize in memory of Dr David L Hayman who was an academic staff member of the Genetics Department from 1959 until his retirement in 1992 and a Visiting Research Fellow until his death in 2006.

B. The Miller family gave the University a further sum of $15,000 in 2011 in support of this prize.

C. In 2015 the Miller family suggested that the prize be increased to $2,500 per year and the capital spent out accordingly.

D. The University accepted the donations upon the trusts specified and the donations therefore became the capital subject to those trusts (‘capital sum’).

Name of the Fund

1. The capital sum, all income arising from the capital sum, and any accumulations and additions thereto together form a fund called ‘The David Hayman Prize in Genetics’ (‘fund’).

Investment of the Fund

2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the trusts specified by the donor.

Rules

The following rules apply:-

1. The prize shall be known as “The David Hayman Prize in Genetics”.

2. The prize will be awarded annually to the candidate placed highest in order of merit amongst those who are awarded First Class Honours in Genetics.

3. The prize will be awarded in December, and students completing honours courses in Genetics in the calendar year of the award are eligible.

4. The value of the prize will be $2,500 per year.

5. The University may vary the rules from time to time in a manner consistent with the University’s legal obligations and policies.

Rules approved by Deputy Vice-Chancellor and Vice-President (Academic) 11 November 2015
