UTR1.168 - THE DR KENNETH BROWN PRIZE IN MEMORY OF DAPHNE BROWN

Background

A. In 2008, Dr Kenneth Brown donated $2,000 to the University to establish a prize in memory of Daphne Brown.

B. Following discussions between Dr Kenneth Brown, Professor Johann de Vries and Dr Helen James it was agreed that a prize be established for Forensic Odontology. The value of the prize shall be $100 in the first year and then increased by an amount of $10 each and every subsequent year for the remaining life of the gift.

C. The University accepted the donation upon the trusts specified by the donor and the donation therefore became the capital subject to those trusts (‘capital sum’).

Name of the fund

1. The capital sum, all income arising from the capital sum and any accumulations and additions thereto together form a fund called ‘The Dr Kenneth Brown Prize in Memory of Daphne Brown’ (‘fund’).

Investment of the fund

2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the trusts specified by the donor.

Obligations

3. In administering the fund, the University must adhere to the terms specified and is obliged:-

   (a) to invest the capital sum according to the directions of the donor; and

   (b) to establish a prize to be administered according to the following rules.

Rules

1. The prize shall be known as ‘The Dr Kenneth Brown Prize in memory of Daphne Brown’.

2. The value of the prize in 2016 shall be $180. The value of the prize shall increase by $10 each and every subsequent year for the remaining life of the gift.

3. The School of Dentistry shall award the prize to the student enrolled in the Honours Degree of Bachelor of Science in Dentistry who has presented the best research project in Forensic Odontology.

4. Should there be no candidate of sufficient merit in any given year, then the prize shall not be awarded that year and the monies may be used in subsequent years.

5. The University may vary the rules from time to time in a manner consistent with the University’s legal obligations and policies.

9 December 2016
Arrangements

The School of Dentistry Board of Examiners shall select the student enrolled in the Honours Degree of Bachelor of Science in Dentistry who has presented the best research project in Forensic Odontology. Dr Brown or his representative will be invited to attend the School of Dentistry Declaration and Prizes ceremony where he or his representative may present a certificate to the successful student. The School of Dentistry will provide the certificate. The prize will appear on the recipient’s academic transcript and be listed in the Declaration and Prizes Ceremony Program Booklet. The prize shall be reviewed every three years in accordance with the University’s Giving Policy.

Rules approved by Deputy Vice Chancellor & Vice President (Academic) 8 December 2016
