UTR1.188 - THE E POLLARD PRIZE IN ECONOMIC HISTORY

Background:-

A. While at Flinders University Professor Jonathan Pincus established a prize for the best student in Economic History called 'The E. Pollard Prize in Economic History'.

B. As the Discipline of Economic History was abolished at Flinders University, Dr Ralph Shlomowitz of Flinders arranged to pay the residual capital sum of $2,790.49 to the University of Adelaide. The funds were placed in the University’s Endowment Fund and are now used for a similar prize at the University of Adelaide.

C. The purpose of the prize is to encourage undergraduate students to excellence in economic history.

D. The University accepted the donation upon the trusts specified and the donation therefore became the capital subject to those trusts (‘capital sum’).

E. This is a part-endowed prize with the capital held in the University’s Endowment Fund and the income distribution each year used to fund part of the prize. In 2017 the donor agreed to contribute a further $350 per year to top-up the value of the prize to a total of $500 per year.

Name of the Fund
1. The capital sum, all income arising from the capital sum, and any accumulations and additions thereto together form a fund called ‘The E Pollard Prize in Economic History’ (‘fund’).

Investment of the Fund
2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the trusts specified by the donor.

Rules
The following rules are hereby made:-

1. The prize shall be known as the 'E. Pollard Prize in Economic History'.

2. The annual value shall be $500, consisting of:-

   (a) $150 from the annual income distribution from the Endowment Fund (or such larger amount as will not exceed the annual income distribution from the Endowment Fund); and

   (b) $350 paid annually by the donor.

3. The prize shall be awarded to the student attaining the best result in International Economic History, providing the Head of School considers the candidate to be of sufficient merit.

4. Where two or more candidates are of equal merit, the prize shall be shared equally.

9 May 2017
5. The University may vary the rules from time to time in a manner consistent with the University’s legal obligations and policies.
