Establishment
The Council accepted from the Oral Surgery and Oral Medicine Study Group of the Australian Dental Association (S.A. Branch), a gift of $500.00 to endow a prize in memory of Austin Bazeley, a graduate of the University in 1955 and active member of the Study Group before his death at age 27, for the purpose of establishing an annual prize in the Faculty of Dentistry; and the following rules are hereby made:

Value
The capital of this prize fund is endowed.
The annual value of the Prize will be $250.00.

Eligibility
The prize will be awarded annually to the student in the final year of the course for the degree of Bachelor of Dental Surgery who obtains the highest standard in the subject of Oral Medicine and Applied Oral Pathology, provided that the student is of sufficient merit.

Selection of Candidate
The Board of Examiners will select the final year student in recognition of them having attained the highest standard in the subject of Oral Medicine and Applied Oral Pathology.

If there is no candidate of sufficient, merit then the prize will not be awarded.

If there is more than one candidate of equal merit, a prize of the stated amount will be shared equally.

Variations
The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.

The value of the award needs to be regularly reviewed the so that it is in line with the maximum annual distribution of 5%. It cannot vary from this stipulated value.

Only the annual income should be spent in compliance with the award rules and the wishes of the donor.

The award rules need to be reviewed every 3 years to ensure that they are up to date and comply with the wishes of the donor.

Advice needs to be sought from Legal and Risk Branch about any rule changes.

Copies of all relevant correspondence (for example with the Donor) and prize rules need to be filed in the RMO file.

The award should not become inactive for several years because of out of date rules.

The endowed funds of the Austin Bazeley Prize can only be consolidated or split with advice from the Legal and Risk Branch and a written approval from the Executive Dean.
