Establishment
The Dental Board of South Australia paid the University the sum of $1,600 for the purpose of establishing two annual prizes:

- The Dental Board of South Australia Prize for the Highest Standard in the First Annual Examination;
- The Dental Board of South Australia Prize for the Highest Standard in the Fourth Annual Examination.

The fourth year prize was established in 1947. The first year prize was established in 1967.

Dental Board of SA Prize – First Year Student
Value
The capital of this prize fund is endowed.
The annual value of the Prize will be $250.00.

Eligibility
The prize will be awarded to the first year Bachelor of Dental Surgery student who has obtained the highest standard in the first year.

Selection of Candidate
The Board of Examiners will select a first year Bachelor of Dental Surgery student in recognition of them having attained the highest standard in the first Year provided that the student is of sufficient merit.

If there is no candidate of sufficient merit, then the prize will not be awarded.
If there is more than one candidate of equal merit, the prize will be shared equally.

Variations
The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.

Dental Board of SA Prize – Fourth Year Student
Value
The capital for this prize fund is endowed.
The annual value of the Prize will be $250.00.

Eligibility
The prize will be awarded to the fourth year student Bachelor of Dental Surgery student who has obtained the highest standard in the fourth year.

Selection of Candidate
The Board of Examiners will select a fourth year Dental Surgery student in recognition of them having attained the highest standard in the fourth Year provided that the student is of sufficient merit.
If there is no candidate of sufficient merit, then the prize will not be awarded.

If there is more than one candidate of equal merit, the prize will be shared equally.

**Variations**
The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.

**Arrangements (for Both First Year and Fourth Year Prizes)**
The value of the award needs to be regularly reviewed so that it is in line with the maximum annual distribution of 5%. It cannot vary from this stipulated value.

Only the annual income should be spent in compliance with the award rules and the wishes of the donor.

The award rules need to be reviewed every 3 years to ensure that they are up to date and comply with the wishes of the donor.

Advice needs to be sought from Legal and Risk Branch about any rule changes.

Copies of all relevant correspondence (for example with the Donor) and prize rules need to be filed in the RMO file.

The award should not become inactive for several years because of out of date rules.

The endowed funds of the Dental Board of SA Prize can only be consolidated or split with advice from the Legal and Risk Branch and a written approval from the Executive Dean.

Rules amended and approved 11 November 2014
