Background –

A. In memory of Mark Jolly FRCS, FRACS tragically killed in a car accident on 3 May 1976.

B. Established in 1979 and awarded annually to a graduating South Australian specialist, the fellowship assists them with costs of overseas travel for further studies.

C. Mark Jolly was a young man who, in his short surgical career, contributed enormously to surgery and postgraduate education in Adelaide and rural areas. He was a constant inspiration and help to the young graduate. His untimely death at 33 deprived the State of much enrichment in the areas mentioned.

D. Surgeons and other medical practitioners donated to the Mark Jolly Travelling Fellowship Fund to establish the Mark Jolly Travelling Fellowship. The fellowship assists medical graduates who have obtained their primary specialist qualification, in travelling overseas to receive experience and training in areas of medical expertise not available in Australia and in returning to South Australia.

E. The University accepted the donation upon the trusts specified by the donors and the donation therefore became the capital subject to those trusts (‘capital sum’).

Investment of the fund

1. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the wishes of the donors.

Obligations

2. In administering the fund, the University must adhere to the terms specified and is obliged:-

(a) to invest the capital sum according to the directions of the donor; and

(b) to establish a fellowship in the manner described in the following Rules.

Rules

1. The Fellowship is restricted to medical graduates practising in South Australia and is open to all specialties.

2. The grant will normally be for a period of not less than two months and of such value up to AUD$2,000 or such other amounts as the Trustees may determine.

3. The Fellow would be expected to return to South Australia and practise within the State for at least two years.
