UTR2.137 - RAH ENDOCRINE FUND

Background –

A. This fund was established from donations received by the Postgraduate Medical Foundation of the University of Adelaide for its Endocrine Fund.

Arrangements for the Fund

1. Expenditure from the fund is under the control of the University and will be made following consideration of recommendations.
2. An advisory committee will be constituted for the particular purpose of making recommendations regarding disbursements. This committee consists of Professor Michael Horowitz, Dr A P Roberts and DR R B Burnet.
