Background –

A. In October 2004 a donation of $5,000 was received from the Roseworthy Old Collegians Association (ROCA) to initiate the Roseworthy Campus and Student Fund.

B. The Roseworthy Old Collegians Association has resolved to establish a fund to be known as "The Roseworthy Campus and Student Fund" for public charitable purposes with a view to maintaining and developing excellence in education, training and research in agricultural and related pursuits based at Roseworthy Campus. An Agreement (“Agreement”) was made between ROCA and the University of Adelaide on 22 June 2010.

C. Further donations were added over the years from various people.

D. The scholarships supported by this fund are: The Roseworthy Campus and Student Fund Scholarship, The Landmark Agronomy Scholarship, The Trevor Dillon Agronomic Roseworthy Study Scholarship, The Lower Murray Lot Feeders Scholarship and the Agribusiness Leaders Scholarship in Excellence.

E. The University established the Roseworthy Campus and Student Fund and the funds therefore became the capital (‘capital sum’).

Name of the fund

1. The capital sum, all income arising from the capital sum and any accumulations and additions thereto together form a fund called the ‘Roseworthy Campus and Student Fund’ (‘fund’).

Investment of the fund

2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the terms of the Agreement.

Administration

1. Administration of the fund is as per the terms of the Agreement and the Rules for each Scholarship as listed in (D) above.

Rules

The Agribusiness Leaders Scholarship for Excellence

This scholarship has been established by the Co-Patrons of the Roseworthy Campus and Student Fund to support potential future leaders in Agribusiness.
One scholarship valued at $10,000 for one year will be available to a commencing student who enrols full time in a Commonwealth supported place at the University of Adelaide. For the purposes of the scholarship, students undertaking 75% of a full course load are considered to be enrolled on a full time basis.

Applicants must be undertaking their first year of study in the Bachelor of Agricultural Science program at the University of Adelaide.

Applicants must be Australian citizens, permanent residents of Australia or New Zealand citizens.

Selection of the successful candidate will be made according to academic merit and applicants' demonstrated leadership experience. Academic merit will be determined by ATAR or equivalent scores.

Lower Murray Lot Feeders Honours Scholarship

This scholarship has been established by leaders in the lot-feeding industry with an interest in quality agricultural education in South Australia.

One scholarship is available to a student who is an Australian citizen, New Zealand citizen or permanent resident of Australia who is undertaking a Bachelor of Science (Honours) program of study at the University of Adelaide.

The scholarship is valued at $5,000 for one year of full time honours study.

Students must be undertaking study in the field of production animal science with relevance to the feedlot industry.

Selection of the scholarship will be based on students' academic results from prior higher education study, including cumulative Grade Point Averages (GPA) for the preceding years where applicable.

Trevor Dillon Agronomy Scholarship

This Scholarship has been established in memory of Trevor Dillon, a noted Agronomist and graduate of Roseworthy College who made a significant contribution to the development and adoption of agricultural technology in South Australia. The Scholarship has been established by the Roseworthy Old Collegians Association (ROCA) within the framework of the Roseworthy Campus and Student Fund (The Fund).

This Scholarship is open to students who are Australian citizens or permanent residents of Australia and undertaking a Bachelor of Agricultural Sciences program of study at the University of Adelaide on a full time basis as a Commonwealth Supported student. Students must be enrolled on the census dates (31 March and 31 August each year) to be eligible to receive this scholarship.

The Scholarship will provide an amount of $5,000 for the first year of the approved program for which the student is offered the Scholarship. Selection will be based on academic merit and financial need.
Roseworthy Campus and Student Fund Scholarship

This Scholarship has been established by the Roseworthy Old Collegians Association (ROCA) within the framework of the Roseworthy Campus and Student Fund (The Fund) through generous donations from private individuals and the corporate sector.

This Scholarship is open to students who are Australian or New Zealand citizens or permanent residents of Australia and undertaking a Bachelor of Agricultural Sciences; or Bachelor of Science (Animal Science); or Bachelor of Science (Veterinary Bioscience) program of study at the University of Adelaide.

The Scholarship will provide the sum of $3,000 for the second year of the approved program for which the student is offered the Scholarship, subject to the student maintaining satisfactory academic progress and demonstrating continuing financial need.

Applicants should be in the second year of study and undertaking study on a full time basis as a Commonwealth Supported student. Students must be enrolled on the census dates (31 March and 31 August each year) to be eligible to receive this scholarship.

Applicants must be able to demonstrate financial need and be able to provide supporting documentary evidence at the time of application, eg details of income tested Commonwealth income support payment, such as Youth Allowance, Austudy, ABSTUDY benefits, or other details of their financial circumstances.

Selection will be based on academic merit and financial need.
