- **THE ASHOK KHURANA UNIVERSITY OF ADELAIDE SCHOLARSHIP FOR OUTSTANDING INDIAN STUDENTS; AND**

- **THE KAMALA KHURANA MUSIC SCHOLARSHIP**

**Background –**

A. Professor Ashok Khurana (‘donor’), a former staff member of the University of Adelaide, donated a sum of $500,000.00 (‘donation’) on 27 June 2011 to establish an annual scholarship for the benefit of Indian scholars.

B. Following a successful career as an engineer in the petroleum industry, Professor Khurana had a desire to give something back to the Indian education system from which he benefitted. He also wished to express his appreciation to the Australian nation for accepting him as an immigrant and for affording him countless opportunities over the previous 39 years, in all aspects of his life.

C. There are two scholarships on offer:

   a. one awarded to an Indian National who is undertaking a program of study leading to a Masters Degree or equivalent, on a full time basis at the University in an area of benefit to India and its people;

   b. one awarded to a student for the final (third) year of their undergraduate music program.

Refer to the rules for both scholarships below.

D. The University accepted the donation upon the trusts specified by the donor and the donation therefore became the capital subject to those trusts (‘capital sum’).

**Name of the fund**

1. The capital sum, all income arising from the capital sum and any accumulations and additions thereto together form a fund called ‘The Ashok Khurana University of Adelaide Scholarships’ (‘fund’).

**Investment of the fund**

2. The fund is to be amalgamated for the purposes of investment, and held in a common fund, and the net income earned by the common fund shall be credited, rateably, to the funds so amalgamated and thereafter distributed according to the trusts specified by the donor.

**Obligations**

3. In administering the fund, the University must adhere to the terms specified and is obliged:-
(a) to invest the capital sum according to the directions of the donor; and
