This Scholarship/Prize is being established in memory of Bice Della-Putta’s parents and her husband, Giovanni Della-Putta. Bice would like it to be a perpetual Scholarship or Prize (depending on the size of the gift) and that the gift be invested in the University’s Endowment Fund with a view to leaving the capital intact and only drawing down an annual interest for provision of the Scholarship/Prize.

Bice would like to deposit various amounts into the Della-Putta In Memoriam Scholarship/Prize account during her lifetime, and one or more contributions will be made by her Trustees, according to the terms of her Will, to allow the University of Adelaide to award this perpetual Scholarship/Prize.
