

<u>MS</u> <u>No.</u>	<u>No.</u> <u>Pages</u>	<u>Description</u>	<u>Year</u>
1	3	Brief extracts on frost action from: A. Geike, <u>Text Book of Geology</u> , V. I C.A. Cotton, <u>Geomorphology</u> , 3rd Ed. Hobbs, <u>Earth Features</u> Jos Geikie, <u>Earth Sculpture</u> Marr, <u>Scientific Study of Scenery</u> B.B. Polynov, <u>Cycle of Weathering</u> , Thames Morby & Co., Lond.	1912 1937
2	1	Ref. to Sharpe, "Landslides & other Phenomena" p. 41.	
3	1	Ref. Marion J. Newbigin, <u>Plant & Animal Geography</u> , Methuen, Lond. D. H. Campbell, <u>An Outline of Plant Geography</u> , MacMillan, Lond. Von Engel, <u>Geomorphology: Systematic and Regional</u> . J.T.J. Ref. Chap. 13 on W. Penck geomorphic system, pp. 56 <u>et seq.</u>	1936 1926 1897
4	2	Ref. Bull 73, Honmans's work in Yerilla Dis- trict. Extract on legal aspects of estates (non-geological).	
5	1	J.T.J. original notes on: Evolution of the abrasion ramp. (Important illus. of deductive thought.)	
6	1	Copy cover page of: MT. Buffalo, Nat. Park Victoria, A Geological Survey. (Booklet)	
7	1	Ref. Douglas Johnson, on submarine canyons. <u>Jour. Geom.</u> 1:2:113 on parallel faulting to produce a graben.	1938
8	1	Ref. Bermuda during Ki la Age. <u>Proc. Am. Acad. Arts & Sci.</u> 66:381-468. J.T.J. Ref. to evidence of Pleistocene fluctuations of sea level. R.W. Sayles.	1931

- 9 5 J.T.J. notes on coastal papers.
Outline of coastal physiog. of Torquay.
Elwood paper
- 10 4 (see Note Book 46 pp. 131-135). Longhand
incomplete draft and incl. cut out from:
1884 Rept./Mining Handbook 2nd Ed. with
ref. to many writers: Campbell, Saint-Smith,
Von Summer, Hardman, F.T. Gregory, Woodward,
Victor, Helms with ref. nos() presumably
applying to the Mining Handbook
(Victoria?) (W.A.?).
- 10a 1 10(a) Ref. Field Note Book 31 pp. 117
et seq. on Footscray r'way cutting
section.
- 10b 1 10(b) Ref. & note to paper on weather
pits in granite Jour. Geom. Apr.
1941 with ref. to J.T.J. paper on
drimpling in granite.
- 11 3 Southey on the erosion of Skiddaw.
Duplicate extract from: Southey's Letters,
The World's Classics, Pocket Ed. 1803
- 12 10 Vaughan Cornish on sand dunes; "On the
Formation of Sand Dunes." Geog. Jour.
9:278-309 Extensive notes by
J.T.J. 1897
- 13 6 Victorian Sand Dunes. 5 pp. J.T.J. notes on
preparation for paper on Victorian sand dunes.
Outline and refs. to: Doug. Johnson, Commonwealth Yr. Bk.,
Vic. Yr. Book, AAAS Handbook, Vic. Nat.,
R.H. Croll on 90 mile beach, Selwyn in catalogue
of the Victorian Exhib. 1861 Intercol.
Exhibition (1866-1867), Selwyn & Ulrich,
Halligan 1906, Murray, J.W. Gregory, McCoy,
Etheridge.
- 14 3 E.C. Andrews on raised beaches & rock
benches in N.S.W. 1914
- 15/16 4 Detailed notes on reading of C. Hedley
paper on differential erosion near
Sydney. 1924
- 16 9 Complete copy of Hedley paper on erosion
near Sydney. 1924
- 17 4 Notes on: A. H. Voisey, "The physiography

of the middle north coast district of New South Wales." Jour. & Proc. Roy. Soc. N.S.W. 68:88-103.

1934/5

- 18 2 Notes on recent uplift in N.S.W. paper in Australia Geography, - no ref. given.
- 19 13 "The Physiography of Botany Bay", R.H. Halligan, Jour. Roy. Soc. N.S.W. XLVII:120-129 (notes on). 1913
- 20 5 Notes on raised beaches in N.S.W. from: Handbook for N.S.W., Sydney 1932 ANZAAS. 1977
- 21 2 Post Tertiary measurements of the strand line. Roy. Soc. discussion. David (chairman) Proc. Roy. Soc. V. 55. 1915
- 22 2 "Recent elevation of the shoreline at Bellambi, N.S.W. Proc. Roy. Soc. N.S.W. 52:27-28 1918
- 23 2 Refs. to N.S.W. coastal physiog.: - G. H. Halligan, C. Hedley, N. H. Maze, A. H. Voisey, E. C. Andrews, C. A. Sussmilch. 1899
- 24(a) 2 W. R. Browne on Long Reef Platform N. of Sydney. Proc. Roy. Soc. N.S.W., V. 58. Notes on E. C. Andrews on the geol. of W.A.-Darling Scarp. 1990- 1924
- 24 3 Notes on C. A. Sussmilch's "Notes on some recent marine erosion at Bondi." Jour. Roy. Soc. N.S.W. 46:155-58. 1912
- 25 3 Notes on (13pp.) David & Halligan "Evidence of Recent submergence of coast at Narabeen." Jour. Roy. Soc. N.S.W. 42:229-237. 1908
- 26 2 Notes from book by Sussmilch, (on recent elevation of N.S.W.) An Introduction to the Geology of New South Wales 3rd Ed. Australia, Angus & Robertson Ltd. Sydney. 1922
- 27 29 Longhand copy of A. H. Halligan "Land management on the New South Wales Coast." Proc. Lin. Soc. N.S.W. 21:619-640. 1906
- 28 2 Ref. to Bombo Quarries - N of Kiana. Also refs. to Sussmilch Roy. Soc. 39(1905) 1925 & 1928

of the middle north coast district of New South Wales." Jour. & Proc. Roy. Soc. N.S.W. 68:88-103.

1934/5

- 18 2 Notes on recent uplift in N.S.W. paper in Australia Geography, - no ref. given.
- 19 13 "The Physiography of Botany Bay", R.H. Haligan, Jour. Roy. Soc. N.S.W. XLVII:120-129 (notes on). 1913
- 20 5 Notes on raised beaches in N.S.W. from: Handbook for N.S.W., Sydney 1932 ANZAAS. 1977
- 21 2 Post Tertiary measurements of the strand line. Roy. Soc. discussion. David (chairman) Proc. Roy. Soc. V. 55.
- 22 2 "Recent elevation of the shoreline at Bellambi, N.S.W. Proc. Roy. Soc. N.S.W. 52:27-28 1918
- 23 2 Refs. to N.S.W. coastal physiog.: - G. H. Halligan, C. Hedley, N. H. Maze, A. H. Voisey, E. C. Andrews, C. A. Sussmilch. 1890
- 24(a) 2 W. R. Browne on Long Reef Platform N. of Sydney. Proc. Roy. Soc. N.S.W., V. 58. Pitton, Notes on E. C. Andrews on the geol. of W.A.-Darling Scarp. 1890-1924
- 24 3 Notes on C. A. Sussmilch's "Notes on some recent marine erosion at Bondi." Jour. Roy. Soc. N.S.W. 46:155-58. 1912
- 25 3 Notes on (13pp.) David & Halligan "Evidence of Recent submergence of coast at Narabeen." Jour. Roy. Soc. N.S.W. 42:229-237. 1908
- 26 2 Notes from book by Sussmilch, (on recent elevation of N.S.W.) An Introduction to the Geology of New South Wales 3rd Ed. Australia, Angus & Robertson Ltd. Sydney. 1922
- 27 29 Longhand copy of A. H. Halligan "Land management on the New South Wales Coast." Proc. Lin. Soc. N.S.W. 21:619-640. 1906
- 28 2 Ref. to Bombo Quarries - N of Kiana. Also refs. to Sussmilch Roy. Soc. 39(1905) 1925 & 1928

and Jagnet & Card & Harper "Geology of the Kiane-Jamberoo dist." and Etheridge & David. 1890

- 29 2 Brief notes on Rev. J. Milne Curran on absence of eleva' or depression of land in recent times in N.S.W. in Geology of Sydney and the Blue Mountains. 1899
- 30 7 Notes on evidence of uplift of N.S.W. coast from; L. F. Harper, "Evidence of uplift on the coast of N.S.W., Australia." Amer. Jour. Sci. 14:48-52. 1977
- 31 5 Notes on L. F. Harper, "Geology and mineral resources of the southern coalfield." Govt. Printer with part. ref. to question of up-lift. 1915
- 32 9 Notes on raised beach question in Australia. Based on David & Etheridge, "The raised-beaches of the Hunter River delta." Rec. Geol. Jour. N.S.W. 2:37-52 (pt. 4). 1890
David & Etheridge ref. to works by:
J. B. Jukes, 1847 1850. Capt. J. Lord Stokes 1846. Dr. Alexander Rattiray 1869.
W. B. Clarke, 1875. J. D. Dana, 1849. Fitton, 1827. Ludwig Becker, 1859. J. E. T. Woods, 1862. 1890-1846
Authors cited by Eth. & David (see 32, 1-3).
Count de Strzeleski. D & Eth. conclusion on 32(5). 1944
- 33 2 Notes on Recent 5ft fall in S.L. at Moreton Bay, Qld. from "A scientific expedition to Moreton Bay." Aust. J. Sci. 1:28-30. 1938
- 34 Brief refs. to articles etc. by F. Jardin (Torres Strait); J.B. Jukes 1874; Haddon, Sollas, & Cole. 1928
- 35 11 Notes on physiog. of the Bower District & Northern Uplands of the Cumberland group. Drawn from G.A.V. Stanley. Mainly in ref. to J.T.J.'s interest in regard to recent elevation and bench formation. 1928
- 36 5 Refs. to contributions on the Report of the Great Barrier Reef Committee by: H.C. 1925 & 1928
Richards & C. Headly; P. Marshall; H.C.

- Richards; A.B. Walkon; C. Headly; J. Hogan;
W.H. Bryan; W.B. Alexander; M.E.J. Paradice;
F. Jardine; G.A.V. Stanley; J.A. Edgell. 1925
- 37 3 Notes on Heldey's "A raised beach at the
North Barnard Islands." From GB Reef
Report. (Geog) Trans. Roy. Soc. A'asia.
(Qld) 1:61-62. 1925
- 38 5 Notes on Marshall, Richards and Walkom G.B.R.
paper on Holbourne Island. Trans. Roy.
Geog. Soc. A'asia. (Qld)
1:29-33. 1924
- 39 5 Notes on Richards & Hedley geol. reconn. of
North Qld. Trans. Roy. Geog. Soc. A'asia
(Qld) 1:1-33. Paper incl. in Rept. G.B.R.
Comm. 1925 1924
- 40 4 Notes on E.C. Andrews paper on Qld coast.
Incl. summary refs. to articles describing
evidence of elevation of eastern Australia.
Proc. Linn Soc. N.S.W.
27:146-185. 1902
- 41 16 Title & author only refs. to articles in vols.
XXIII to LV (1910-1942). Longhand - no notes
or comments of significance, wide range of
topics. 1910-1942
- 42 2 Notes on C.K. Wentworth's potholes, pits & pans
paper. 1944
- 43 14 Titles & authors of papers in Journal of
Geology, vols. 21-27. Wide range of
topics - no signif. notes. Only emphasized
article material (11). T.C. Chamberlain "World
orangization" after the World War - an
quasi national confederation. 1913-1919
- 44 2 Notes from "Work of wind in northern Lake
County, Oregon." J.L. Allisin. B. G. Soc.
Amer. 52:1943 1943
- 45 2 Notes on "The problem of slope development."
Geog. Jour. 108:264-266. (opinions of Davis,
Penck, D. Johnson, Bryan). 1949
- 46 4 Notes on shorelines from Leet & Judson
Physical Geology. Mainly on shoreline
classification and features of the shore-
