

<u>MS.</u> <u>NO.</u>	<u>No. of</u> <u>Pages</u>		
F4-1	10	Notes abstracted from Field Note Book No. 12 - Altona.	
F4-2	3	Notes on Jacobson & Scott on Bacchus March geology (glacial & volcanic) <u>Proc. Roy. Soc. Vic. Vol. 50 pt. 1.</u>	1937
F4-3	3	Notes on reading in regard to Flinders & Hastings, Victoria.	1902
F4-4	4	"Shoreham Camp-out," J. A. Kirshaw. <u>Vict. Nat. 19:7-20.</u> JTJ notes an article, with special note of grass covered platform bet. shore & cliffline evidence of emergence to J. T. J.	1902-03
F4-5	17	Notes on readings in shoreline processes and sedimentation.	
F4-6	2	Beach erosion etc. Refs. and some notes: Johnson, D. W. "The problem of coast protection" <u>Geog. Rev. 17:135-137.</u> Interim Report of Beach Erosion Board, office of the chief of Engineers, U. S. Army, 15/4/1933. Rev. of int. report in <u>Geog. Rev. Oct. 1934 p. 653.</u> J. B. Lucke, "A study of Barnegat Inlet, New Jersey," <u>Shore and Beach V. 2 1936 p. 43-94.</u> Reviewed <u>Geog. Rev. Oct. 1934 p. 653-654.</u> Beach erosion notes & refs.	1927 1933
F4-7	8	Abstracted notes on Altona from field note books No. 12 & 14 mainly (1) to (6). Refs. to work of Gill & Fairbridge (7). List of field note books containing refs. to Altona (8).	
F4-8	4	Altona, plans (shore & subdivisions).	1923
F4-9	1	Refs. & short notes on E. S. Hill, W. D. Thompson, Keble, Mackinder, on shoreline features & related topics.	
F4-10	8	Flinders platforms, JTJ widths, F4	1947

- F4-17 14 10(3) JTJ notes on "Victorian Cave Pools" 10(4). JTJ notes on Victorian Cave Pools" 10(4) JTJ notes "The geol. of Flinders" 10(5)-10(8). Melhirst & Deane "Vict. Cave pools" Vic. Nat. Aug. 1837. JTJ notes inc. section diagram showing platform and cave. 1937
- F4-(17a) 3 JTJ notes on "The geology of Flinders," A. B. Prichard, Vic. Nat. 1902-1903, p. 142-144. Ref. to 1854 map of Selwyn, and to T. S. Hall reports on the geology of the Shoreham "Camp-out," Vic. Nat. 19:1:17. 1902-03
- F4-11 26 Title: "Flinders Paper." JTJ notes from Note Bks. (various). Detailed notes with page refs. and emphasis given to important items. 1948
- F4-12 2 JTJ Title: "Shingle beaches & wave-cut platforms, N. W. coast of Tasmania." Notes on A. B. Edwards, Proc. R. Soc. Vic. 53:233-267. JTJ notes storm wave benches & shingle beaches. 1941
- F4-20 2 Notes from "The north-west coast of Tasmania," A. B. Edwards Proc. Roy. Soc. Vic. 53(N.S.):2:233-267. 1941
- F4-13 1 Ref. only to R. S. Sprigg "The geology of the south-east province... modern Beach development," Geol. Surv. S. A.
- F4-14 11 Notes drawn from field note books on Flinders, mainly Note Book 16. Useful data on shore platforms.
- F4-15 12 Notes from College Physiography, Tarr & Martin (1923), on shoreline processes and forms. Notes with page refs. 1923
- F4-16 2 First pages of two articles (reprints) of W. A. Price on tidal basins and geomorphology of depositional surfaces. No notes by JTJ. 1947

- F4-17 14 Notes on needing of a number of articles & books (parts of) on shorelines with reference to JTJ's work on Altona. Authors: D. Johnson, J. B. Redman, Cotton, Bartram, Arrouseau & Budge, F. P. Fullrivi [?], W. M. Davis, V. Cornish, V. H. Wheeler, B. S. Howlett, G. K. Gilbert, Johnson & W. G. Reed, J. A. Steers, S. Ting, Salisbury, Conte, E. S. Hills, W. A. Condon, Gill, Twenhofel, Barrell.
- F4-(17a) 3 Correspondence between JTJ and the Werribee Shire Engineer requesting levels at Altona. July-August 1948.
- F4-18 4 Several (4) pages of notes on reading. J. E. Marr "Deposition of the sedimentary rocks."
- F4-19 5 Notes on reading on sedimentation: Twenhofel, Barrel, Gregory, and refs.
- F4-20 2 Notes on J. A. Steers, The Unstable Earth. Notes on pp. 208, 209, 210, 214.

1948
