

- Richards; A.B. Walkon; C. Headly; J. Hogan;  
W.H. Bryan; W.B. Alexander; M.E.J. Paradice;  
F. Jardine; G.A.V. Stanley; J.A. Edgell. 1925
- 37 3 Notes on Heldey's "A raised beach at the  
North Barnard Islands." From GB Reef  
Report. (Geog) Trans. Roy. Soc. A'asia.  
(Qld) 1:61-62. 1925
- 38 5 Notes on Marshall, Richards and Walkom G.B.R.  
paper on Holbourne Island. Trans. Roy.  
Geog. Soc. A'asia. (Qld)  
1:29-33. 1924
- 39 5 Notes on Richards & Hedley geol. reconn. of  
North Qld. Trans. Roy. Geog. Soc. A'asia  
(Qld) 1:1-33. Paper incl. in Rept. G.B.R.  
Comm. 1925 1924
- 40 4 Notes on E.C. Andrews paper on Qld coast.  
Incl. summary refs. to articles describing  
evidence of elevation of eastern Australia.  
Proc. Linn Soc. N.S.W.  
27:146-185. 1902
- 41 16 Title & author only refs. to articles in vols.  
XXIII to LV (1910-1942). Longhand - no notes  
or comments of significance, wide range of  
topics. 1910-1942
- 42 2 Notes on C.K. Wentworth's potholes, pits & pans  
paper. 1944
- 43 14 Titles & authors of papers in Journal of  
Geology, vols. 21-27. Wide range of  
topics - no signif. notes. Only emphasized  
article material (11). T.C. Chamberlain "World  
orangization" after the World War - an  
quasi national confederation. 1913-1919
- 44 2 Notes from "Work of wind in northern Lake  
County, Oregon." J.L. Allisin. B. G. Soc.  
Amer. 52:1943 1943
- 45 2 Notes on "The problem of slope development."  
Geog. Jour. 108:264-266. (opinions of Davis,  
Penck, D. Johnson, Bryan). 1949
- 46 4 Notes on shorelines from Leet & Judson  
Physical Geology. Mainly on shoreline  
classification and features of the shore-

line.

- 47 2 Brief selections (notes) from C.A. Cotton,  
"Cyclic resection of marine erosion."  
58 2 Geol. Mag. 1952. J.A. Marbutt, "A study  
of granite relief from S-W Africa."  
Geol. Mag. 1952. Selected refs. from 1947  
above articles. 1952
- 48 3 Notes on & refs. from "Quantitative measure-  
ments of available relief & depth of  
dissection." G.H. Dury. Geol. Mag.  
88:339-343. 1951
- 49 2 Abstract from "A sedimentary study of dust  
storms in the vicinity of Lubbock,  
Texas." Am. Jour. Sci. 249:553-563. 1927 1951
- 50 3 Notes and refs. from "Abrasion of nine  
minerals of sand size in ball mills."  
H. L. Alling. Am. Jour. Sci. 1928 and other  
249:569-590. 1933-1951
- 51 2 Notes on use of terms pitch & plunge by  
Clarke & McIntyre. Am. Jour. Sci.  
249:595-599. 1951
- 52 2 Abstracts from "Frost- heaved tussocks in  
Massachusetts." Ligafos & Hopkins.  
A.J.S. 249:312-317. 194 1951
- 53 2 Notes from Menard & Boucot, "Experiments on the  
movement of shells by water." A.J.S.  
249:131-151 1951
- 54 2 Notes from review of A Textbook of  
Geomorphology (Worcester) by S. E. W.A.  
White in A.J.S. 249. 1951
- 55 2 Brief note on "Raised beaches and terraces  
of the Iranian Makran coast." N. L. Falcon,  
67 8 Geog. Jour. 109:149-151. Beaches at diff.  
heights due to land movements - not seamen  
level change. 1947
- 56 3 Copy of abstract of "Spheroidal weathering  
of igneous rocks." Chapman & Greenfield. 1940  
68 Am. Jour. Sci. 247:407-429. 1949
- 57 2 Refs. to C. A. Cotton "Query as to the tempo  
of Australian denudation," Geol. Mag.  
70 3 85:54-56. Deals with Teichert's paper of

"Stratigraphy of Western Australia."  
J. & Proc. Roy. Soc. N.S.W. also ref. to  
 Andrews, Craft, Voisey and Hills.

- 58 2 Note on catastrophism in the sea & its  
 palaeont. sign. in the Gulf of Mexico.  
 Gordon, Am. Jour. Sci. 245:669-676. 1947
- 59 19 Longhand copy of sections from Von Engel  
 on Penck's geomorphic system. Important  
 refs. on slope development at end 59(19).
- 60 Not copied.
- 61 6 Correspondence with the military regarding  
 use of Pt. Phillip Bay maps on loan from  
 the Military. 1927-28
- 62 11 Correspondence re Australian Geographer.  
 Griffith Taylor request for paper from  
 Jutson on Vic. contributions 1928 and other  
 years. 1933-1936
- 63 1 Copy of "copy-plan" of 9 Ivanhoe Pde.  
 Ivanhoe - J.T.J.'s residence.
- 64 3 Correspondence with L. R. Dudley of the  
 Forests Commission of Victoria re loan of  
 J.T.J.'s Yarra R. and Dandenong Cr. paper  
P.R.S.V. 23. 1946
- 65 2 Correspondence with N. J. Parr acting Hon  
 secretary R. Soc. Vic. regarding possible  
 paper from J.T.J. J.T.J.'s illness  
 alluded to by Parr. 1946
- 66 8 Correspondence with E. de C. Clarke, W.A.  
 Univ. regarding J.T.J. specimens. Also  
 lists of same, numbered. 1932-38
- 67 8 Correspondence with military authorities  
 regarding permission to enter Fisherman's  
 Bend area to take levels with C. S. Honman  
 (Capt.) lecturer in charge of survey dept.  
 of the Melbourne Technical School, Latrobe  
 St. Incl. map (sketch). 1940
- 68 Not copied.
- 69 Not copied.
- 70 3 Lists of names to whom reprints (below) of

papers sent. Portarlinton paper, Physiog. of W. A. 2nd Ed. Mt. Martha paper. 2nd Partarlinton paper, salt weathering & natural quarries paper. Sydney platform paper, Port Phillip Bay paper.

- 71 1 Cutting from Age 2/9/33. "The care of books: some preventive measures."
- 72 4 Letter from R. G. Kappler, sec. Comm. Forestry Bureau regarding receipt of copy of W.A. Physiography. Also copy of list of publications issued by the Bureau. 1935
- 73 1 List of some publications from the govt. printing office, South Australia, and other sources. Ref. Howchin's Building of Australia.
- 74 3 Copies of Argus article by J.T.J.  
1) "Foreshore erosion in Pt. Phillip Bay." 3/8/1935. 2) "The 'Dry Lakes' of Western Australia." 30/1/35.
- 75 2 Copies of U. S. Dept. Int. Geol. Survey. "Publications issued Sept. 1938. Lists 366, 367. Three marked by J.T.J. Beach placers on Oregon coast, drought 1936 in Great Plains, particle movement on stream beds.
- 76 1 Refs. to geographical indexes. Geog. Review. 1916-1925, 1926-1935. Geog. Journ. (Lond. 1936). Petermans Mitteilungen 1936 for 1905-1934. Scottish Geog. Mag. 1885-1935 (Edin. 1935).
- 77 5 Copies of U.S. Dept. Int. Geol. Survey Publications listed (issued). March 1939-list 373; list: 369, 371, 368. Some pubs. marked X by J.T.J.
- 78 2 Extract from H.T. de la Beche's Researches in Theoretical Geology, 1834. Note on wave action on retrogradation of Kent coast in London Clay. 1834
- 79 4 1) Notes from Ramsay's Denundation of South Wales, re plain of marine denundation.  
2) Short ref. to Geikie's text book (4th Ed.) on plains of marine denundation - "no mention of shore platforms at low tide."

- J.T.J. 1846
- 80 2 Ref. to Ramsay's original work on marine denundation. Ref. to Mem. No. 1, G.S.G.B. & I 1846. Ref. to criticism by Darwin & Lyell (See Geikie's Memoir of Ramsay, pp. 85-88) 1846
- 81 2 Notes on Prestwick on shore platforms. 1886
- 82 3 Le Conte on shore platforms, with copies of diagrams illustrating same. 1902
- 83 12 Field Notes 15/11/33 to 6/5/34. Quiet Corner, Black Rock (Victoria). Detailed description of features before 15/10/33 incl. germ of idea about normal platform and storm effects (6/5/34). 1933-34
- 83a 2 Field Notes on the Red Bluff, Sandringham. Note on form of Half Moon Bay & adjacent platform on ironstone. 9/9/1934. 1934
- 84 11 Field Notes on Black Rock, Quiet Corner, Ricketts Point, Table Top Corner, 9/9/34. Important set of original observations. 1934
- 85 11 Notes on W.A. Lakes incl. Gibson, Talbot, Gregory & others. Incl. W. R. Browne, Aust. Geog.V. 11, No. 4 (1934). 85(11) description of Aust. scenery, long-hand - author? 1934
- 86 6 Refs. and notes on arid physiography. Geol. Mag. April 1926 Geog. Rev. Jan. 1926, G. Taylor on Aust. Others. 1926
- 87 2 Note from Natural Science-A Monthly Rev. (Macmillan 1892) as to the influence of professionalism on the progress of science. 1892
- 88 2 Note from "The Sir Joseph Banks Islands in Spenser Gulf," D. J. Mahony. Proc. Roy. Soc. Victoria. 50 (pt 2): 304.
- 89 2 Ref. to plausible hypoth. that later become accepted as established without suff. evidence, from R. D. Russell,

Bull. Geol. Soc. Amer. 48:1307-1348  
(1937).

1937

- 90 27 MSS. Group Title: "Menace of Water"  
1. Notes from "Distribution of & utilization of flood waters," M. E. Musgrave, Science 82:401-462. MSS. 90(2)-90(5). 2. Longhand draft of MS. by J.T.J. "The menace of water and its conversion into a blessing" MSS. 90(6)-90(10). 3. Letter to editor of Argus 31/1/1936 with other article. "It is taken very largely from Mr. Musgrave's article in Science." -- no claim to originality..." therefore would suggest that my name be omitted" MS. 90(11). 4. "The menace of water..." J.T.J. typed MSS. 90(12)-90(14). 5. Ref. to Musgrave, Science Nov. 1935, 461-462 MS. 90(15). 6. Argus cutting of article by P. C. Morrison "Menace of water" in five parts, Dec. 24-20, 1935. 1936
- 91 6 Longhand MSS. of article for submission to Argus (but no evidence that it was) entitled "The marring of a landscape, man's shortest process." Follow up of article "The making of a landscape: nature's age-long process." (see MS 92)
- 92 8 "The marring of a landscape: man's short-cut process." Typed MSS. 92(1-4), (see 91 for longhand MS.). Typed MS. of article (J.T.J.), "The making of a landscape: nature's age-long process." MSS. 92(5-8) c1935
- 93 7 Longhand MS. of article "The making of a lanscape: nature's age-long process." 1935
- 94 16 Longhand draft of article by J.T.J. "Foreshore erosion in port Phillip Bay" for publication in the Argus. 1936
- 95 8 1) Correspondence with editor of the Argus, July 1935, re publication of article on foreshore erosion in Pt. Phillip Bay. MSS. 95(1-6).  
2) Cuttings from Argus re erosion in Pt. Phillip Bay & letters reacting to J.T.J. article. MSS. 95(7).

- 3) Article "Foreshore erosion in Port Phillip Bay." Argus, 31/8/35.  
MSS. 95(8)

- 96 9 Typed unabridged version of article  
"Foreshore erosion in Port Phillip Bay."  
Note: "This article has been shortened to  
about half."
- 97 5 Typed manuscript of article accepted by  
Argus on foreshore erosion in Pt. Phillip  
Bay. (With parts omitted indicated in  
marginal notes.)
- 98 9 Typed MSS. of foreshore erosion article, edited  
for reduction with longhand changes.
- 99 3 Extracts from A. T. Hopwood "Fossil mammals  
and Pleistocene correlation." Proc. Geol.  
Assoc. 51:79-88 (pt. 1) incl. notes on  
world wide Pleist. crustal movements. 1939
- 100 2 Notes on H. Ashley's views on the Appal.  
peneplains in G. W. Stose "Age of the  
Schooley Peneplain." Am. Jour. Sci. July  
1940, pp. 462-476. 1940
- 101 2 F. A. Singleton on water gaps of the  
MacDonell Ranges. "The MacDonell  
Ranges of Central Australia." Brit. Assoc.  
Adv. Sci., Cambridge 1938. 1938
- 102 3 Abstracts from Twenhofel and McClintock  
"Surface of Newfoundland." (on peneplains)  
Brit. Geol. Soc. Am., 51:1605-1728. 1940
- 103 2 Abstracts from E. Blackwelder on  
"Crystallization of salt as a factor in rock  
weathering." Bull. Geol. Soc. Amer.  
51:12 pt. 2: 1665-1728. 1940
- 104 2 Refs. to W.A. Physiography. (1) H. G. Higgins  
& D. Carroll on mineralogy of some Permian  
seds. (2) Matheson & Hobson on the Yilgarin  
mining groups. 1940
- 105 2 Summary of paper by F. P. Shephard & E. C. La  
Fond on sand movement. Am. Jour. Sci.,  
238:272-285. Cut & fill at Scripp's Pier  
related to tides, waves & seasons. 1940
- 106 4 Notes from W. J. Soldas' The Age of the
