**Introduction**

You can move sections of your reading list as many times as required by using the drag-and-drop function. This feature is only available when the reading list sections have been minimised.

**Procedure**

1. Click the **Toggle Section View** icon ( 

2. Hover the mouse anywhere within the section that you wish to move until the blue **Drag section** area appears.

3. Click-and-drag in the blue area to move the section up or down.

4. Once the section is in the desired location, release the mouse button.
