

Course Readings: requesting purchase of an item

Introduction

If you manually add an item to your readings list because you were unable to locate it using the Search function or know that the Library doesn't have a copy, you can request that the item be purchased via your course reading list.

Procedure

1. Locate your item in the reading list and click on **Add tags to item**.

Tongues of Fire: Language and Evangelization in Colonial Mexico ✓

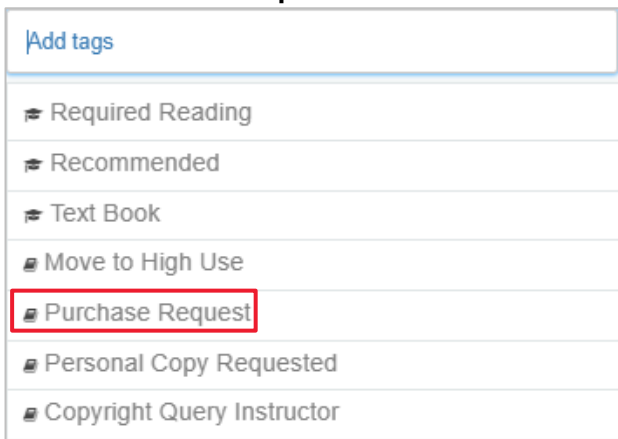

Nancy Farriss , Oxford, Oxford University Press, 2018, Total Pages 368

Add tags to item

Being Prepared

BOOK
