

9. Print, copy, scan

Printing, photocopying, and scanning is available at each library. You can scan to USB, photocopy, and print on all multi-functional devices found around the library.

Printing and photocopying uses your student printing quota. Scanning is free.

To scan directly to your email, cloud storage, or phone/tablet, use the flatbed scanner on Level 3 of the Barr Smith Library.

10. Opening hours

The University Library's hours vary across campuses. For up to date information, check the opening hours on the library website. For those who like to study late (or early!), Level 3 of the Barr Smith Library is open 24/7, just bring your student ID card to gain access.

GETTING STARTED WITH THE LIBRARY

adelaide.edu.au/library

THE LIBRARY IS HERE TO HELP YOU SUCCEED WITH YOUR STUDIES.

IT'S TRUE THAT WE HAVE A LOT OF BOOKS (AND EBOOKS!). BUT WE ALSO HAVE A RANGE OF OTHER SERVICES AND RESOURCES TO SUPPORT YOUR STUDIES, FROM COMPUTERS AND SCANNERS, TO INDIVIDUAL STUDY SPACES AND BOOKABLE GROUP STUDY ROOMS.

1. Need help?

Ask Library is your first point of contact for all library enquiries. Ask Library staff (look for the red shirts!) are on hand to answer any questions you might have regarding using the library's services and facilities and finding resources for your studies. You can also contact Ask Library via chat, email, or phone.

library@adelaide.edu.au
(08) 8313 5759

2. Find readings for your course

Navigate to your course in **MyUni** and look for the link to *Course Readings* on the left. From here, you will be able to access book chapters, journal articles, websites, and more.

Some courses still have print course readers, which are available for purchase from the University's online shop. Once ordered, you can collect them from Ask Library on Level 3 of the Barr Smith Library.

3. Borrowing

Use *Library Search* on the library's homepage to search our resources and find items available in the collection.

- Your student ID card is your library card.
- Borrow up to 50 items at a time.
- The standard loan time is 10 weeks.
- If an item you have borrowed is subsequently requested by another patron, you will have 7 days to return the item.
- Keep an eye out for library notices and due dates via email and sms.

4. Login to MyLibrary

Login to *MyLibrary* on the library website to request items, confirm what you have on loan (and when it's due back), and track your requests.

<https://library.adelaide.edu.au/mylibrary>

5. Assignment and study help

Our *How Do I Guides* are a great starting point for help with finding and evaluating different types of information, and using the library or online resources.

<https://libguides.adelaide.edu.au/>

6. Online resources

Login to *Library Search* using your student ID to access the ever-growing collection of online resources - including general and subject specific databases, e-journals, e-books, streamed content, and more! Access these resources on campus, from home, or anywhere else you have internet access.

7. Study spaces

The library has a range of different study spaces, whether you need a computer, a quiet study spot, or a group discussion area. Individual spaces, computers, and group study rooms can be booked through the library website.

Visit the so-called 'Harry Potter room' on Level 2 of the Barr Smith Library for a historic study experience, or Level 1 of the Barr Smith Library for our most up-to-date facilities.

There are also dedicated charging stations at the Barr Smith and Waite libraries, and all libraries have many powerpoints throughout - byo cable!

8. Accessibility

All of the libraries are accessible for students who have a disability or medical condition that impacts mobility. For specific information regarding services, visit:
