A tall, precarious stack of wooden blocks stands on a white desk. The blocks are arranged in a staggered pattern, with some missing from the middle, making the stack look unstable. To the left of the stack is a white coffee cup on a saucer, a pen, and a small potted plant. To the right are a pair of glasses, some papers with charts, and several loose wooden blocks. The background shows a window with a view of greenery outside. A yellow banner with the text "Organise and manage" is overlaid on the right side of the image.

A photograph of a city street scene, likely in Sydney, Australia, featuring a pedestrian bridge with a decorative metal railing. In the background, several high-rise buildings are visible, including the Hyatt Regency and the Commonwealth Bank building. The sky is blue with scattered white clouds. A purple rectangular overlay with a yellow border is positioned in the upper left, containing the text "Communicate and apply" in a light blue, outlined font. The text is slightly tilted to the right. The overall scene is captured during the day, with the sun low in the sky, creating a warm glow on the buildings and the bridge.
