# Open Day 2022

## Q&A sessions

Join us on Sunday 14 August for an interactive Q&A panel discussion with our academics, current students, staff and industry connections - as we explore study areas, student services and campus life!

Time	Bonython Hall	The Braggs	Napier 102	Napier G04	Napier LG29	Flentje	Horace Lamb	Elder Hall
9:15 – 9:30am								
9:30 – 10:00am	Beginners guide to uni	Engineering	Economics		Accommodation		Health and Medical Sciences	
10:00 – 10:15am								Music (includes a 15min student showcase)
10:15 – 10:45am	Business	Sciences	How to get the offer you want	Humanities	Information for parents and guardians	Energy, Mining and Resources	Thinking of studying postgrad?	
10:45 – 11:00am								
11:00 – 11:30am	Psychology	Biomedical Sciences and Biotechnology	Architecture	Pathways to uni	Allied Health	Mathematical Science	Defence, Cyber and Space	Arts
11:30 – 11:45am								
11:45am – 12:15pm	Medicine	Law	Technology	Study overseas	Adelaide Uni Sport and Fitness		Animal and Veterinary Sciences	Nursing
12:15 – 12:30pm								
12:30 – 1:00pm	Dentistry and Oral Health	Media	Teaching and Education	Accounting and Finance	YouX	Agriculture, Food and Wine	What does it cost to study?	Music (repeat)
1:00 – 1:15pm								
1:15 – 1:45pm	Health and Medical Sciences (repeat)	Business (repeat)	Sciences	Social Sciences	Environmental Sustainability		The Academy by Deloitte	Arts (repeat)
1:45 – 2:00pm								
2:00 – 2:30pm	Medicine (repeat)	Energy, Mining and Resources (repeat)	Beginners guide to uni (repeat)	Wirltu Yarlur: Aboriginal education	International students (onshore)	Women in STEM	Teaching and Education (repeat)	Psychology (repeat)
2:30 – 2:45pm								
2:45 – 3:15pm	Law (repeat)	Engineering (repeat)		Pathways to uni (repeat)	Allied Health (repeat)		Dentistry and Oral Health (repeat)	Nursing (repeat)
3:15 – 3:30pm								
3:30 – 4:00pm								
4:00pm	Event concludes							

# Open Day 2022

## tours and activities

THE UNIVERSITY  
of ADELAIDE

Time	Faculty/study/area/unit	Activity name/title	Activity type	Where	Description
9:00am – 4:00pm	Accommodation	Accommodation Tours	Tour	Hub Central Expo, Level 4 (Western side)	The University of Adelaide understands that accommodation is an important consideration for all students and plays a crucial role in setting a solid foundation to academic success. The University offers student access to a number of quality accommodation options. Accommodation tours will run throughout Open Day, with free shuttle buses leaving from Gate 9 Victoria Drive to The Village on Sunday 14 August at: 10:30 – 11:15 – 12:00 – 12:45 – 13:30 – 14:15 – 15:00 – 15:45. Bookings can be made on the day.
9:00am – 4:00pm	Acoustics and Vibration Lab	Acoustics and Vibration Lab	Interactive activity	Acoustics and Vibration Lab - Engineering South, Ground floor	Visit our high quality acoustic chambers, including two reverberation chambers and one anechoic chamber for facilitating sound transmission loss, sound absorption, sound power and acoustic radiation measurements.
9:00am – 4:00pm	Adelaide Health Simulation	Adelaide Health Simulation	Interactive installation	Maths Lawns Marquee	Get a taste of our state-of-the-art health simulation facilities at this interactive installation, where you'll experience what it's like to learn using world class simulation technology.
10:00 – 11:00am 11:00am – 12:00pm 12:00 – 1:00pm 1:00 – 2:00pm 2:00 – 3:00pm 3:00 – 4:00pm	Allied Health	Allied Health facilities	Tour	Ingkarni Wardli atrium	Go behind the scenes of the University's brand-new Physiotherapy Rehabilitation Gym, Plinth Room, Occupational Therapy Hub and Speech Pathology rooms. See how our state-of-the-art facilities form an integral part of the learning and training experience for our Allied Health students.
9:00am – 4:00pm	Architecture	Architecture and Built Environment	Display	The Mezzanine - Hub Central	The school of Architecture and Built Environment offers programs that lead to careers reimagining, building and managing our cities, towns and varied landscapes. Undergraduate degrees prepare you for accredited Masters in the disciplines of Architecture, Landscape Architecture, Construction Management and Property. Training in critical thinking and assessment of current situations against the crucial challenges of equity, resource scarcity and climate change is applied to speculative and live projects using new and emerging technologies. Design knowledge and skills are developed through studios that produce creatively explored and rigorously researched models and drawings, using a variety of professional representation and documentation tools essential to making a valuable contribution to unprecedented challenges for our built environments. Visit us in the Mezzanine to celebrate the work of our students, showcasing their projects across the breadth of our teaching repertoire from our design studios to our technical classes.
11:00am – 11:45am 1:00pm – 1:45pm	Arts	Museum of Classical Archaeology	Tour	Ingkarni Wardli atrium	Explore the treasures on display in the Museum including Attic Marble Lekythos fragment (4th century BCE), terracotta sarcophagus from Tarquinia (Southern Etruria, Roman ca 100 BCE) and Villanovan cremation urn (Northern Italy, 9th century BCE)
9:30am – 3:30pm	Arts	Which Shakespeare character are you?	Interactive activity	Maths Lawns Marquee	Over 400 years later, William Shakespeare's work still resonates with the Western World. Watch our Shakespeare experience and take our quiz – which Shakespeare character are you?

# Open Day 2022 tours and activities (continued)

Time	Faculty study/area/unit	Activity name/title	Activity type	Where	Description
9:00am – 3:00pm	Children's University	CU @ Adelaide Trail	Interactive activity	Hub Central Expo – Level 4	Are you bringing your children to Open Day? We're excited to let you know that Children's University will be at the University of Adelaide's Open Day on Sunday 14 August! Follow the CU @Adelaide Trail to visit the many interactive and fun activities on campus throughout the day. Complete the CU @Adelaide Trail and earn time in your Passport. Not a CU member? Don't worry you can still take part and earn a reward for participating in your own learning journey.
9:00am – 4:00pm	Defence, Cyber and Space	Defence, Cyber and Space	Interactive installation	Maths Lawns Marquee	Come and meet the Adelaide University Rover team and watch some of our lunar rovers in action on a mini lunar installation. Our team competed in the Australian Rover Challenge where they were required to operate their semi-autonomous rover in a simulated lunar environment; accomplishing navigation, resource utilisation, and construction tasks while assisted and mentored by international industry and government partners.
9:00am – 4:00pm	Defence, Cyber and Space	Exterres Lab	Interactive activity	Exterres Lab – Engineering South, Ground floor	Come and visit our state-of-the-art Extraterrestrial Environmental Simulation (EXTERRES) laboratory that has been specifically designed to simulate off-Earth environments. Chat with our academics who will share their knowledge and show you around this new laboratory that will support the design, testing and development of technologies and processes destined for the lunar and Martian surface.
10:00am – 2:30pm	Dentistry and Oral Health	Dental Simulation Clinic	Tour	Dental Simulation Clinic - Level 1, Barr Smith South building	Take a walk through our state-of-the-art facility used to train our future dentists and oral health professionals. Staff and students will be on hand to answer questions and show you how this technology is integrated into learning and teaching.
10:00 – 11:00am 11:00 – 12:00pm 12:00 – 1:00pm 1:00 – 2:00pm 2:00 – 3:00pm 3:00 – 4:00pm	Faculty of Health and Medical Sciences	Vernon-Roberts Museum and Adelaide Health Simulation	Tour	Ingkarni Wardli atrium	You'll begin this tour exploring the Vernon-Roberts Museum, home to South Australia's most extensive collection of human disease examples and detailed anatomical prosections. From there, visit some of the University's advanced simulation facilities and discover how our students learn in these high-tech environments.
10:00 – 11:00am 11:00am – 12:00pm 12:00 – 1:00pm 1:00 – 2:00pm 2:00 – 3:00pm 3:00 – 4:00pm	Faculty of Sciences, Engineering and Technology	Experience SET at Adelaide	Tour	Ingkarni Wardli atrium	Experience the state-of-the-art facilities you'll have exclusive access to as a student studying sciences, engineering and technology. Explore our custom-built laboratories from The Acoustics Lab, assisting in defence and aerospace engineering, to the labs making groundbreaking scientific discoveries. Visit our collaborative study spaces where our students develop the skills that ready them for a successful career, making history.
10:00am – 12:00pm 1:00pm – 3:00pm	Languages	Chinese Calligraphy Name Writing	Interactive activity	Hub Central, Level 4	Calligraphy is appreciated as an art form in many cultures. It focuses on methods both of writing and demonstrating strength of personality through the use of brush and ink. Come and experience the beauty of the brush stroke as our artists compose the characters of Chinese calligraphy with your Chinese name.

# Open Day 2022 tours and activities (continued)

Time	Faculty study/area/unit	Activity name/title	Activity type	Where	Description
9:45 – 10:30am 12:30 – 1:15pm 1:45 – 2:30pm	Law	Let's Moot!	Tour	Ingkarni Wardli atrium	The Adelaide University Law Student Society provides support and organises professional skills competitions throughout the academic year. It is the perfect opportunity to learn and practice new skills, without the pressure of being in real life. See current students recreate a legal matter before a moot (fake) court. Hear opposing arguments, take position and see who wins!
9:30 – 10:15am 11:00 – 11:45am 2:00 – 2:45pm	Media	Virtual Reality Suite	Tour	Ingkarni Wardli atrium	Virtual reality is rapidly changing the way we consume media, play games, educate and communicate. Experience VR technologies to discover what they look like, how they are made and what they can be used for.
11:15am – 12:00pm 1:15 – 2:00pm 2:45 – 3:30pm	Music	Make, Move, Motivate with Music	Tour	Ingkarni Wardli atrium	Tour the facilities dedicated to students in contemporary music and creative arts, including state-of-the-art sonic arts keyboard suites and recording studios. Hear first-hand from our students and see demonstrations of their amazing work.
9:00am – 4:00pm	Potato "Nice" Cream	Potato "Nice" Cream	Interactive activity	Hub Central, Level 4	How do you like your potatoes - boiled, roast, baked, fried, mashed, or iced? Wait - ICED?? Using food science, "ugly" potatoes can make a delicious vegan, lactose-free iced softserve. Don't believe us? Come and try it for yourself. Now, that is a versatile veg!
9:00am – 4:00pm	SET (Engineering & Technology)	Visit us in The Creation Studio	Interactive activity	Creation Studio – Engineering South, Ground floor	In the Creation Studio, you can design, develop and test your ideas! Visit us in the Creation Studio and showcase your problem solving skills with hands-on STEM Activities. Chat with current engineering students, academics and industry personnel on what to expect in a career in engineering.
9:30am – 3:30pm	Teaching and Education	eLearning/ Augmented Reality	Interactive activity	Maths Lawns Marquee	The world is changing at a rapid pace. Discover how augmented reality is revolutionising teachers and classrooms across the globe.
10:00am – 11:00am 1:00pm – 2:00pm	Technology and Engineering	Australian Institute for Machine Learning	Tour	Ingkarni Wardli atrium	The Australian Institute for Machine Learning (AIML) conducts globally competitive research and development in machine learning, artificial intelligence, computer vision and deep learning. Machine learning underpins the business models of the largest corporations and has the potential to deliver massive social, economic and environmental benefits. Come and visit our Institute and see how we combine academic excellence with real-world practicality.
1.15pm – 1.45pm	The Academy by Deloitte	The Academy by Deloitte	Q&A Panel	Horace Lamb – Level 1, Barr Smith South building	The Academy is a new and unique industry-aligned student experience program co-designed by Deloitte and the University of Adelaide. The program will provide students with work-integrated learning opportunities and differentiated skills, enabling participants to gain an extra advantage in being job-ready and offering a pathway into meaningful careers. Graduates from The Academy will emerge with a world-class education, a recognised qualification to be in prime position to secure full-time employment. <a href="http://adelaide.edu.au/the-academy">adelaide.edu.au/the-academy</a>
10:00 – 10:45am 12:00 – 12:45pm 2:00 – 2:45pm	The University of Adelaide	Student Experience Tours	Tour	Ingkarni Wardli atrium	From the top to the bottom, and everything in between! Take a tour of our stunning North Terrace campus with one of our current students, sharing their insights and the low-down on all the best study spots. Bookings can be made at the Ingkarni Wardli atrium on the day.
