### Social media posts

#### Social media post about Micro-credentials for Classroom Confidence:

Free professional development for Australia-based school educators!

The Micro-credentials for Classroom Confidence have been funded by the Australian Government Department of Education, and are designed to help you:

 Upskill quickly

 Meet your professional development requirements; and

 Transform your teaching

Delivered 100% online, the micro-credentials are available on the topics of classroom management, explicit teaching, and teaching phonics.

Enrolments are now open for all three micro-credentials — visit the website to find out more and register your interest to enrol: <https://www.adelaide.edu.au/pace/short-courses-individuals/micro-credentials/micro-credentials-for-classroom-confidence>

#### Social media post about Classroom Management Micro-Credential:

 Learn how to create a quality learning environment with a free, online classroom management micro-credential.

Offered as part of the Australian Government's 'Micro-credentials for Classroom Confidence' series, completing this micro-credential can count towards the annual 20-hour professional learning requirement for maintaining your teacher registration.

 Visit the website to find out more and register your interest to enrol: <https://www.adelaide.edu.au/pace/short-courses-individuals/micro-credentials/micro-credentials-for-classroom-confidence>

#### Social media post about Explicit Teaching Micro-Credential:

 Discover how to maximise every lesson's impact by enrolling in a free, online explicit teaching micro-credential.

Offered as part of the Australian Government's 'Micro-credentials for Classroom Confidence' series, completing this micro-credential can count towards the annual 20-hour professional learning requirement for maintaining your teacher registration.

 Visit the website to find out more and register your interest to enrol: <https://www.adelaide.edu.au/pace/short-courses-individuals/micro-credentials/micro-credentials-for-classroom-confidence>

#### Social media post about Teaching Phonics Micro-Credential:

 Build your confidence in teaching phonics in a systematic and explicit way by enrolling in a free, online teaching phonics micro-credential.

Offered as part of the Australian Government's 'Micro-credentials for Classroom Confidence' series, completing this micro-credential can count towards the annual 20-hour professional learning requirement for maintaining your teacher registration.
