Quick facts

The University of Adelaide:

- > was founded in 1874; it is Australia's third oldest university
- > is consistently ranked in the top 1% of universities in the world
- > was the first university in Australia, and the second in the world, to admit women to academic courses (1881)
- > was the first Australian university to establish a Conservatorium of Music
- > is associated with five Nobel Prize winners
- > is a member of the Group of Eight, Australia's leading research intensive universities
- > was rated 'at world class' or 'above world class' for 60 of its research areas in the 2012 ERA process.

Strategic vision

“ The University of Adelaide will become no less than Australia's most distinctive university, set in Australia's most civilised of cities... ”

Professor Warren Bebbington
Vice-Chancellor and President
University of Adelaide.

The University of Adelaide is one of Australia's leading research universities.

We are committed to delivering high quality learning and research outcomes.

There are five faculties: Engineering, Computer and Mathematical Sciences; Health Sciences; Humanities and Social Sciences; Professions and Sciences and five research institutes.

Degrees are offered at undergraduate and postgraduate levels with postgraduate including course work and higher degree by research.

Campuses

The University has four campuses in South Australia.

North Terrace, in the cultural heart of the city of Adelaide, is the main campus and site of most teaching and research facilities.

Waite campus at Urrbrae is the largest agricultural sciences research complex in the Southern Hemisphere, with many co-located government and industry partners.

Roseworthy campus, 50km north of Adelaide is the site of the University's School of Animal and Veterinary Sciences.

Thebarton campus hosts one of Australia's premier technology/research parks.

The University also offers a range of programs in Singapore through the Ngee Ann-Adelaide Education Centre, a partnership with the Ngee Ann Kongsi.
