3. Structure of Change Rec	quest		
	olanning/manageme		anagement Organisational Structure at I-structure. A separate sheet can be attached
BEFORE			
Level 1 (Faculty / Division)	Level 2 (School /	Branch)	Level 3 (Local Unit)
AFTER Level 1 (Faculty / Division)	Level 2 (School /	Branch)	Level 3 (Local Unit)
4. Nomenclature			
which appear across reportin	g) according to Ur	niversity business	cluding the 50, 30 and 10 character variations rules. If any formal requirements exist, fo business unit, please advise.
Specific nomenclature requi	ired? ☐ Yes (d	etails below)	☐ No (proceed to Section 5)

5. Effective Date of Change Request

The MOS is updated each year on 1 January. Coordinating changes in the various information systems (PeopleSoft Student, Finance, HR, ResearchMaster etc) is a complex process and even minor changes can require a significant amount of preparatory planning. Additionally, system and resource restrictions place limitations on when changes can be undertaken. Therefore a minimum of 3 months notice is required.

Only in exceptional circumstances will changes be implemented outside the 1 January effective date. If you consider this to apply to your particular request please provide supporting argument below:

Desired Effective Date Rationale for desired implementation date

(if not 1 January)					
6. 5	System Impacts and Considerations				
Α.	Human Resources				
	Does the change affect staff locations, positions etc. Consult with Human Resources for advice. A complete list of staff to be moved to new or chang account codes will be required by HR at implementation.	dvice. new or changed structures with details of correct
