

SELT EXPECTATION STANDARDS

2024 - 2026

As part of the University's desire to improve the student learning experience, the mandatory questions from the Teacher, Course and Program SELTs which will be used as indicators of quality. It is expected that staff achieve a high level of broad agreement in response to these questions, which are indicated in the expectation standards.

Reports indicating the level of achievement of teachers and courses in meeting the expectation standards are provided to Heads of Schools and Executive Deans. Course and Program SELT performance against the expectation standards are reported to the UEC biannually.

Table 1. SELT Expectation Standards 2024 - 2026.

Category	Question	Expectation Standards (%BA)		
		2024	2025	2026
