2.3 Application (continued)

- Subject to the above, for both professional and academic staff members, the University will deduct annual leave for each working day on which the University is not open other than the first working day following Proclamation Day ('University Day') to cover the Christmas closedown in accordance with the Enterprise Agreement. If the staff member does not have an annual leave balance sufficient to cover the Christmas closedown period, annual leave will nevertheless be applied and the staff member will have a negative leave balance until the accrual has occurred.
- Academic staff members with an annual leave balance of 20 days or more (pro rata for part-time staff members) at the end of the final pay period in November will have annual leave applied and will commence their leave at the time of the Christmas closedown each year. The leave applied will be for a period of 20 working days (pro rata for part-time staff members). Notwithstanding this, an academic staff member may, by agreement with their supervisor, take their annual leave at an alternative time. The staff member must enter the approved alternative leave arrangement in Staff Services Online by the end of the final pay period in October.
- Personal Leave (sick/carer's) – clause 4.2
- Compassionate Leave – clause 4.3
- Parental Leave (maternity/adoption/shared paid parental/partner) – clause 4.5
 - Time off for Parental leave may include Paid Maternity Leave, Unpaid Maternity Leave, Annual Leave and Long Service Leave periods. Where a staff member intends to apply for other forms of leave during the period of Parental leave (e.g. annual leave), the application may only include a request for these other forms of leave on dates when paid parental leave entitlements have been exhausted. For example: an application for six months paid Maternity leave at full pay, four weeks annual leave, two weeks Long Service Leave and the balance as unpaid Maternity Leave would be acceptable.
- Family Violence Leave – clause 4.4
- Community Service – clause 4.6
 - A staff member is required to enter their leave in [Staff Services Online \(SSO\)](#) once they have confirmation of days actually required to attend jury duty. If they are not required to attend jury duty on a particular day, they will attend work as usual.
- Cultural Obligation – clause 4.7
 - Supervisors/managers have an obligation to make every reasonable effort to accommodate requests for cultural obligation leave while having regards to the needs of the area.
- Special Paid Leave – clause 4.8
- Trade Union Training – clause 4.9
- Leave Without Pay – clause 4.10
- Long Service Leave – clause 4.11
 - Staff who were working for an Australian University in a paid full-time or part-time capacity immediately prior to commencing with the University (i.e. within the preceding two months) are subject to clause 4.11.6, eligible to have their prior continuous service recognised for long service leave purposes.
 - Professional staff who were working in the South Australian or Commonwealth Public Service immediately prior to commencing with the University (i.e. within the preceding two months) are eligible to have their prior continuous service recognised for long service leave purposes.
 - In order to access this entitlement, the staff member is to fill out the [Recognition of Prior Service Application Form](#) and email it to hrrservicecentre@adelaide.edu.au for processing.
 - Staff who were employed by the University on a casual basis prior to being employed on a fixed term or continuing basis, can apply to have their prior casual continuous service recognised for the purposes of long service leave. The staff member is to send a request to hrrservicecentre@adelaide.edu.au.
- Defence Leave – clause 4.12

Where a public holiday occurs during a period of personal leave, annual leave, long service leave or compassionate leave, the public holiday does not count as a period of leave.
