

## MARK and GRADE SCHEMES

Effective 1 January 2024

### M10 – Mark Scheme 10

This scheme is the norm for courses in undergraduate and postgraduate coursework programs.

This scheme applies to the **course final result**.

| Grade                 | Grade reflects following criteria for allocation of grade: | Reported outcome | GPA points value contribution |
|-----------------------|--|------------------|-------------------------------|
| Fail No Submission    | No work submitted for assessment                           | FNS              | 0                             |
| Fail                  | A mark between 1-49  | F                | 1.5                           |
| Pass                  | A mark between 50-64                                       | 50-64 P          | 4                             |
| Credit                | A mark between 65-74                                       | 65-74 C          | 5                             |
| Distinction           | A mark between 75-84                                       | 75-84 D          | 6                             |
| High Distinction      | A mark between 85-100                                      | 85-100 HD        | 7                             |
| Result Pending        | An interim result  | RP               | Not included                  |
| Continuing            | Continuing   | CN               | Not included                  |
| No Formal Examination | No Formal Examination                                      | NFE              | Not included                  |

### GS8 – Grade Scheme 8

This scheme may only be used if it has been approved by the Executive Dean or delegate, on exceptional pedagogical grounds: see [Assessment for Coursework Programs Policy](#), Teaching Procedure 5.f.

| Grade                        | Grade reflects following criteria for allocation of grade: | Reported outcome | GPA points value contribution       |
|------------------------------|--|------------------|-------------------------------------|
| Fail No Submission           | No work submitted for assessment                           | FNS              | 0                                   |
| Fail                         | A mark between 1-49  | F                | 1.5                                 |
| Pass                         | A mark between 50-64                                       | P                | 4                                   |
| Credit                       | A mark between 65-74                                       | C                | 5                                   |
| Distinction                  | A mark between 75-84                                       | D                | 6                                   |
| High Distinction             | A mark between 85-100                                      | HD               | 7                                   |
| Non-Graded Pass              | Satisfactory performance                                   | NGP              | Not included (after 1 January 2022) |
| Pass Non-Graded <sup>^</sup> | Satisfactory performance                                   | PNG              | Not included                        |
| Result Pending               | An interim result  | RP               | Not included                        |
| Continuing                   | Continuing   | CN               | Not included                        |
| No Formal Examination        | No Formal Examination                                      | NFE              | Not included                        |

<sup>^</sup> The Pass Non Graded (PNG) grade is a temporary grade introduced as part of the University's efforts to support students during a period of significant disruption caused by the COVID-19'

## MARK and GRADE SCHEME– HONOURS PROGRAMS

### M11 – Honours Mark Scheme

| MARK     | GRADE              | GPA |
|----------|--------------------|-----|
| 80 – 100 | First Class        | 7   |
| 70 – 79  | Second Class Div A | 6   |
| 60 – 69  | Second Class Div B | 5   |
| 50 – 59  | Third Class        | 4   |
| 1 – 49   | Fail               | 1.5 |

### SYS – Systems-allocated Grades

These are allocated automatically, in the circumstances described in the Description column, and **represent the course final result.**

| Grade In | Description      | GPA points value contribution |
|----------|------------------|-------------------------------|
| CMP      | Completed        | Not included                  |
| WDN      | Withdrawn        | Not included                  |
| WF       | Withdraw Fail    | Not included                  |
| WNF      | Withdraw No Fail | Not included                  |
