MARK and GRADE SCHEMES 2011

Endorsed by Academic Board and approved by the Vice-Chancellor and President on behalf of Council on 15 November 2010, with effect from 1 January 2011.

M10 – Mark Scheme 10

This scheme is the norm for courses in undergraduate and postgraduate coursework programs.
This scheme applies to the **course final result**.

Grade	Grade reflects following criteria for allocation of grade:	Reported outcome
Fail No Submission	No work submitted for assessment	FNS
Fail	A mark between 1-49	F
Pass	A mark between 50-64	50-64 P
Credit	A mark between 65-74	65-74 C
Distinction	A mark between 75-84	75-84 D
High Distinction	A mark between 85-100	85-100 HD
Result Pending	An interim result	RP
Continuing	Continuing	CN
No Formal Examination	No Formal Examination	NFE

GS8 – Grade Scheme 8

This scheme may only be used if it has been approved by the Executive Dean or delegate, on exceptional pedagogical grounds: see Assessment for Coursework Programs Policy, Teaching Procedure 5.f.

Grade	Grade reflects following criteria for allocation of grade:	Reported outcome
Fail No Submission	No work submitted for assessment	FNS
Fail	A mark between 1-49	F
Pass	A mark between 50-64	P
Credit	A mark between 65-74	C
Distinction	A mark between 75-84	D
High Distinction	A mark between 85-100	HD
Non-Graded Pass	Satisfactory performance	NGP
Result Pending	An interim result	RP
Continuing	Continuing	CN
No Formal Examination	No Formal Examination	NFE

GS5 – Grade Scheme 5 - Honours

For the **final result** in Honours programs

Grade In	Description	Convert Grade
1	First class	80+%*
2A	Second class div a	70-79%*
2B	Second class div b	60-69%*
3	Third class	50-59%*
CN	Continuing	
NAH	Not awarded	
NFE	No Formal Examination	
WH	Withheld	

* The numerical value for the Honours grade will not appear on an Academic Transcript, i.e. only the honours class will appear.

SYS – Systems-allocated Grades

These are allocated automatically, in the circumstances described in the Description column, and **represent the course final result**.

Grade In	Description
CMP	Completed
WDN	Withdrawn
WF	Withdraw Fail
WNF	Withdraw No Fail
F	Systems-allocated Fail grade
