Faculty of the Professions
2020 Study Plan (Trimester 2 intake)
Master of Agribusiness 1.5 year (36 units)

### Degree Information
- Students must ensure they are correctly enrolled in accordance with the Academic Program Rules.
- A total of 36 units is required to complete the Master of Agribusiness.
- Students must ensure they check program admission standards and courses prerequisites and restrictions before enrolling in a course via the Course Planner.
- It is recommended that students endeavour to do the AGRIBUS 7055 course as early as possible in their program.

### Electives
Students can opt to choose other AGRIBUS courses as general electives or choose from any Postgraduate degree courses.

### Global Experience
A Global Exchange may be included in your program. Please contact us through the information below.

| Elective |

---

1 AGRIBUS 7061 is offered in all trimesters and should be taken prior to enrolling into AGRIBUS 7063 Research Project.

2 AGRIBUS 7063 should be done at the end of your studies subject to the course scheduling.

A student who wishes to pursue higher degree by research studies in the future should complete the 9 unit research project (7062A/7062B) and may only take courses to a value of 3 units as electives.
