---

**Degree Information**

- Students must ensure they are correctly enrolled in accordance with the Academic Program Rules.
- A total of 36 is required to complete the Master of Applied Project Management 1.5 year program.
- Students must ensure they check prerequisites and courses restrictions before enrolling in a course via the Course Planner.

**Program Notes**

Capstone research should be completed in your final trimester of study once you have completed all of the core courses.

*Students should undertake either of the following courses based on their individual circumstances.

- **PROJMGNT 7024:**  
  Choose this course if operating in complex environments such as enterprise focused, software, defence, entrepreneurial, and most government initiated social programs.

- **PROJMGNT 7057:**  
  Choose this course if they operate in linear projects such as construction, ship building, etc.

**Electives**

Electives can be taken from **PROJMGNT** or **ENTREP**.

Study tours and Internships may be permitted.

*It is recommended that you enrol for the full year.  
> Trimester – to enrol in 9 units per trimester
