## Degree Information
- Students must ensure they are correctly enrolled in accordance with the Academic Program Rules.
- A total of 48 units is required to complete the Master of Global Food and Agricultural Business.
- Students must ensure they check prerequisites and courses restrictions before enrolling in a course via the Course Planner.
- **AGRIBUS 7061**: It is offered in all trimesters. Must be taken before enrolling into AGRIBUS 7062A & AGRIBUS 7062B.
- **AGRIBUS 7062A**: It is only offered in Trimester 2 each year and must be taken in conjunction with AGRIBUS 7062B.
- **AGRIBUS 7062B**: It is only offered in Trimester 3 each year and must be taken in conjunction with AGRIBUS 7062A.
- All students must complete their research project at the end of Trimester 3, in their final year of study, even if they have a part year of study remaining.
- It is recommended that students endeavour to do the AGRIBUS 7055 course as early as possible in their program.

## Selected Core
Students must choose 3 AGRIBUS courses as selected core electives but can choose more AGRIBUS courses to be counted as general electives.

- AGRIBUS 7053 Globalisation and Agriculture in Emerging Economies
Faculty of the Professions
